

The Kind- Hearted Oak Program

**A YOUTH INTERNSHIP
CREATED IN MEMORY OF
SAM CESARONI**

CREATING MEANING FROM LOSS

A message from FERN's Founder

FERN's young people care. They have demonstrated compassion and commitment to others.

This program is possible due to donations to FERN in memory of our father Sam Cesaroni and serves as a tribute to him. He believed in the power of young people and giving voice to all. These values have been a cornerstone at FERN and continue to be our guiding star.

The purpose of this program is to create expanded leadership skills for youth in our community.

We will collaborate with young interns to identify their interests and strengths and connect them to meaningful and productive projects.

Pay for participation will be granted.

We are accepting applications for 2021/2022.

Please feel free to share this widely as we would like to reach many of our young people.
