Greetings!

Thank you for participating in our fitness classes in person and over Zoom! We love being able to reach people no matter where they live!

As you may know, Senior Coastsiders has been using “My Senior Center” to help understand how many people we serve and in what capacity. For instance, did you know that we had 445 people engage in our fitness classes in July? Prior to My Senior Center, we had no way of knowing this! This information helps us gauge impact, plan for the future, and tell our story to our donors and community partners.

Although we finally understand how many people we serve in person, it has been very challenging to understand how many people we serve virtually. However, by using the online version of My Senior Center, called My Active Center (MAC), we will finally be able to capture that information!

This is where you come in!

- **Starting Monday, Aug 22, 2022**, we will be switching our virtual class host to My Active Center. Before that date, anyone planning on taking a class over Zoom will need to create a My Active Center account (instructions are attached). **Note: if your home phone number isn’t recognized, use your cell phone number!**

- Once you’ve set up your account, you will be able to see all the classes and sign up for them in advance. The Zoom link for each class will be emailed to you 15 minutes before the class starts, and can also be found in your MAC account.

- Remember, My Active Center will be the only way to access Zoom classes as of August 22! Please be sure to get your account set up before that! **If you run into any problems or have any questions, please call Casey or Hope at 650-726-9056.**

- **Please note: If you already have a scan card, your number is on the back of it.** If you only take classes over Zoom, please call Senior Coastsiders at 650-726-9056 for your membership number.

Thank you, again, for being a part of the Senior Coastsiders family. We know that switching to a new technology can be challenging, and we’re here to help make it as smooth as possible!
