A DVR is Your Personal Streaming Service!

With an MCG Whole Home DVR, you can digitally record, store & playback programming so you never have to miss your favorite show again!

Play your stored programs as often as you like and control live TV with functions such as pause or rewind. Our DVR system is called Whole Home DVR because it allows you to record a program on one TV and watch the playback on any other in your home.

**Never Miss a Moment** - With an MCG DVR you control live TV so you won’t miss a single minute of a show you’re watching

**Pause a Program** - Rewind the show you have been watching or fast forward back to the point of live TV

**Watch Your Favorite Shows on Your Schedule** - MCG DVR lets you watch shows you have recorded whenever its convenient for you. You can easily record the whole season of your favorite show with the touch of a button.

**No Tapes, No Timers** - Record without tapes, timers or a VCR. Just highlight a program and press record. The program is saved directly on the MCG DVR.

**Interactive Guide** - An MCG DVR lets you do everything at the touch of a button. The interactive guide makes it easy for you to enjoy all the features that DVR and digital TV has to offer.
