2020 Region 3 Trauma Symposium

March 5, 2020
Horizon’s Conference Center
6200 State Street
Saginaw, MI 48603
The Region 3 Annual Trauma Symposium is a co-operative effort coordinated and presented by the Region 3 Trauma Network Education Committee with financial help from the Designated Trauma Centers within Region 3. The Symposium’s goal is to bring all trauma care providers together from multiple disciplines so that each facet in the trauma care spectrum has a better understanding how they impact positive outcomes for the most severely injured. This year, we will focus on some recent events and real-life cases in trauma care and mass casualty response.

**CME Credits**

**Accreditation:**
Central Michigan University College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Central Michigan University College of Medicine designates this live activity for a maximum of 6.25 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Obtaining CME:**
CME evaluation certificate and transcript for this activity may be obtained by visiting: med.cmich.edu/cmecert

**Educational Objectives:**
- Provide a multidisciplinary approach to the care and treatment of the most severely injured patients.
- Through the experiences of area trauma practitioners, learn the most recent and evidence-based techniques for the assessment and treatment of the critically injured.
- Identify the differences in outcomes when basic and advanced pre-hospital care is utilized and whether air medical transport may increase survival and disability.
- Through case study review, evaluate and apply regional considerations for the treatment of the most critically injured.

**Target Audience:**
Physicians, Nurses, Pre-hospital Providers (Paramedics, EMTs, First Responders), and all healthcare providers with an interest in trauma care.

**EMS Credits:**
6 EMS Continuing Education credits.
