The undersigned warrants that their competition vehicle is described as follows:

Year, Model and Type _____

Vehicle Name _____

Class of Competition for Above Named Vehicle _____

The undersigned warrants the competition vehicle described above is currently equipped with, and will continually be equipped with, all CLUTCH, FLYWHEEL, BELLHOUSING, TRANSMISSION, REAR END, and DRIVELINE ASSEMBLIES that are equal to, or exceed, the rules as posted in the 2014 Illini State Pullers' Rule Book for the specified competition vehicle.

The undersigned warrants that the flywheel, clutch, and pressure plate components on this competition vehicle are made of steel, aluminum or ductile iron. Positively NO GRAY CAST IRON flywheels allowed.

The undersigned warrants that the flywheel and clutch assembly have been inspected for structural integrity prior to the 2014 pulling season.

Additionally, the owner/driver of this competition vehicle agrees to abide by the rules for their particular class, including all safety rules, as stated in the 2014 Illini State Pullers' rulebook.

SFI approved components with spec/registration numbers, as applicable.
