The Neurodiversity Hub

Establishing Careers for Neurodivergent Adults
Why the Neurodiversity Hub (NDH)

- Talent pipeline
- Cost of recruitment
- Cost of support
- Lack of manager skills
- Matching tasks/roles to candidates
- Neurodiversity Hub (NDH) as a solution
## Objectives of the NDH

### For Students
- Support students in becoming career-ready
- Connect students with employers that value neurodiverse talent
- Assist students in obtaining work experience and internships with businesses supporting the Hub
- Increase employment opportunities

### For Universities/TAFEs
- Provide valuable opportunities and assistance for research in the area of neurodiversity
- Facilitate innovation among Hub partners and collaborators

### For Potential Employers
- Create a pipeline of work-ready neurodivergent talent
- Provide training in how to work more effectively with neurodiverse people – including employees, customers, and suppliers
- Enhance scalability and sustainability of neurodiverse employment
- Reduce costs of recruitment, assessment, on-boarding, and support
NDH Operational Framework
NDH Advisory Group

Representatives from Hub Partner Organisations

- Employers
- Universities and TAFEs
- Researchers & Service Providers

NDH ADVISORY GROUP
- One representative from each partner organisation
- Attend quarterly meeting (hosted by one organisation on a rotational basis) to:
  - Consider and discuss KPIs and feedback around the operations of the Hub and alignment with its stated objectives
  - Host local participating students to provide feedback
  - Discuss operational modifications
  - Determine how to identify, sign-up and on-board new partners
- Once the NDH reaches critical mass, consider future governance function

UNIVERSITY HUB
- Relevant parties cooperate on and deliver activities of each University Hub
- Develop and support student talent pipeline
- Operate to achieve objectives per NDH charter
- Collect KPIs/feedback to share at quarterly meetings
- Apply continuous improvement principles to improve programs and processes
- Implement new Hub features and offerings

KPIs / feedback
NDH Structure for Fulfilment

Combining a local and national network of support to create a step change in experience and increase students’ chances of obtaining and maintaining employment

Industry (Employers)
- Employers provide in-kind contributions to NDH as a pre-requisite for participation
- In-kind contributions may include life skills training (financial wellness, hygiene and nutrition, travel planning, etc.) and work readiness (job shadowing, mentorship via service providers, webinars, etc.)
- Examples include ANZ Money Minded and SAP Enterprise Readiness Academy

Relevant Service Providers/Bodies
- Custom student profiles, comprehensive employability assessments, job matching
- Industry and peer mentorship
- Online autism awareness training for universities (tutors, lecturers, student services staff) and for employers
- In-person neurodiversity awareness and acceptance events/programming

Universities
- Work with RSPs and employers to deliver NDH services via existing/new channels and cross-campus collaboration
  - Dedicated Hub coordinator role
- Upskill personnel via e-learning
- Measure and report student development and key performance indicators (KPIs)
- Enhance retention/employment outcomes
- Utilize NDH network to deliver services requested by students and collaborate for continuous improvement

Communication Channels
- University and TAFE Students on the Autism Spectrum
The following ideas were developed in consultation with autistic university students as well as current Dandelion Program and ANZ Spectrum Program participants.

After communicating the Hub:
- Emphasize ease of access and initial use.
- Create accessible university landing page.
- Promote www.neurodiversityhub.org.
- Walk through websites when discussing NDH.
- Send to link students registered with disability services.
- Include webpage with clear instructions around how to navigate resources within the NDH.

Example Student Experience Timeline

Year One
- Semester 1: University success modules (Uptimize)
- Life skills modules (via cross-campus collaboration and employer contributions)
  - Public transportation
  - Sleep
  - Nutrition
  - Exercise
- Career readiness and employability assessment (Pymetrics, career services)

Year Two
- Semester 3: Life skills modules cont'd
  - Money Minded (ANZ)
  - Dress for Success
  - Partner employer webinars, field visits and job shadows
  - Industry mentoring (PACE)
- Semester 4: Enterprise Readiness Academy (SAP)
  - Dandelion Work Experience Program (DXC)
  - Other work experience programme opportunities
- Semester 5: CV and cover letter updated and critiqued (University)

Year Three
- Semester 6: Course completion and graduation
  - Other business acumen skills as per university programs
  - Postgraduate placement
    - Untapped and Hub Coordinator engaged
KPIs/Success Metrics

Per University Hub Data
- Student feedback surveys
- Per period registration with Hub
- Employment application rate
- Employment placement rate
- Employment return offer rate
- 1/3/5/10-Year Follow-up
  - Still with company? Why (not)?
  - Advancing in company?

Per University Data
- Retention rate (neurodiverse)
- Dropout rate (neurodiverse)
- Per year enrolment (neurodiverse)

Per Employer Data
- Number of employment opportunities provided
- Number of in-kind resources provided
- Success rate of employment programs (as defined by employer)
- Number of university employment forums attended (virtual and in-person)
- Number of students hired after they graduate
- Retention rate of neurodiverse hires
- Number of neurotypical employees trained in neurodiversity
## Risk and Mitigants

### Risks

<table>
<thead>
<tr>
<th>Risk</th>
<th>Mitigants</th>
</tr>
</thead>
<tbody>
<tr>
<td>Not enough students register for hub</td>
<td>• Robust communication strategy</td>
</tr>
<tr>
<td>Hub has low placement rate</td>
<td>• Consistent student feedback to address issues</td>
</tr>
<tr>
<td></td>
<td>• Untapped assists with job matching</td>
</tr>
<tr>
<td></td>
<td>• Require Uptimize training for students, employers, and universities</td>
</tr>
<tr>
<td>Employers lose interest and leave hub</td>
<td>• Charter (as defined by the Advisory Group) requires minimum 1-year commitment from employers</td>
</tr>
<tr>
<td>Lack of consistency across sub-hubs</td>
<td>• Advisory Group determines requirements for partner involvement and considers KPIs and feedback from participating Universities</td>
</tr>
<tr>
<td></td>
<td>• Once critical mass is achieved for the NDH, the Advisory Group will also consider the establishment of an appropriate governing body</td>
</tr>
<tr>
<td>Students register to participate in the NDH late in their academic programs</td>
<td>• University to offer expedited plan for students who register late</td>
</tr>
<tr>
<td></td>
<td>• Communication strategy encourages students to register ASAP</td>
</tr>
<tr>
<td>More employers register for Hub than students (demand &gt; supply)</td>
<td>• Communication strategy to register maximum number of students</td>
</tr>
<tr>
<td></td>
<td>• Charter requires employers to acknowledge no guarantee of student hires</td>
</tr>
</tbody>

Completion and Implementation

Complete actions from Sign-Off meeting (May 2018), including the following:

<table>
<thead>
<tr>
<th>Key Action Items</th>
<th>Accountability</th>
</tr>
</thead>
<tbody>
<tr>
<td>Execute communications/promotion strategy to register as many students as possible</td>
<td>University Partners</td>
</tr>
<tr>
<td>Offer university hub resources as they become available (e.g. mentoring, workshops, etc.)</td>
<td>University Partners</td>
</tr>
<tr>
<td>Sign-up in remaining states: ACT, SA, WA, TAS</td>
<td>DXC, Untapped</td>
</tr>
<tr>
<td>Organise Advisory Group workshop for partner organisations (recommended for July 2018)</td>
<td>Swinburne University</td>
</tr>
<tr>
<td>Finalise and commit to NDH Advisory Group charter at July workshop</td>
<td>All Partner Organisations</td>
</tr>
<tr>
<td>Establish formal process to capture commitment of partners and on-board new partners</td>
<td>All Partner Organisations</td>
</tr>
<tr>
<td>Ensure that university faculty/staff and partner employer staff complete autism awareness training</td>
<td>University &amp; Employer Partners, Uptimize</td>
</tr>
<tr>
<td>Commit to contractual arrangements between partner organisations, as required</td>
<td>Relevant Partner Organisations</td>
