Katherine Anne Porter School, or KAPS, is a public charter high school located in Wimberley, Texas.

KAPS is different from traditional high schools in many ways. As an open-enrollment charter, and one of the only rural charter high schools in Texas, we serve students from seven counties. Families come to KAPS because we offer smaller classes, alternative courses and an individualized approach to education. We practice a relational approach to building school climate, and foster belonging, social engagement, and meaningful accountability.
What’s special about the KAPS Prom?

Our student body is small, averaging 150 students across grades 8-12. Because of the size of the school, the Prom is open to all students. This allows all of our students to celebrate with the graduating seniors, honoring their accomplishments and their launching into their next life adventure.

The graduating class of 2020 has a total of 27 students. We plan to give them each a prize they can take to college, to their first apartment, or wherever that next step leads them. With your help, we can do this!

Our goal is to raise $6000.00 to fund our prom, including the purchase of the following items:

- microwave
- mini fridge
- mountain bike
- skateboard
- luggage
- laptop
- television
- pots and pans
- dishes
- crockpot
- toaster oven
- cooler
- record player
- stereo
- musical instrument
- wireless earbuds
- blue tooth speakers
- yoga/health club membership
- toolset
- roadside maintenance kit
- $200 anything-scholarship
- gift cards

They’ll know it’s from you!

Our students will know you’ve shown your support! As a sign of our appreciation, your name/company name and/or logo will be displayed on a sponsorship poster at our event, as well as being listed on a gift tag, attached to each prize!

And, you get a tax deduction!

KAPS is a non-profit organization (501c3), so any donations are tax deductible.
