- Se Habla Español

This list is provided as a courtesy to the community. Truckee Fire Protection District does not endorse, recommend, certify, or guarantee that these companies understand or follow applicable laws and regulations. It is the homeowner's responsibility to ensure contractors are appropriately licensed and insured for the work they are hired to perform. The homeowner is responsible for following all applicable laws, regulations, and HOA restrictions during the course of their defensible space project. Companies that perform defensible space and tree service work in the Truckee and Donner Summit areas can get on future updates of this list by emailing [dSPACE@truckeefire.org](mailto:dSPACE@truckeefire.org) Revised: 5/17/2024
