Made Before Sunrise

A PASSION FOR BAKING.

There is a simple truth at the heart of everything we do – good food made fresh with quality ingredients, slowly and with love, feed the soul as much as the body. We build our businesses around this truth, creating the best products we can, using the best ingredients available and drawing on the skills and talents of an incredible team who share our passion and our unwavering commitment to quality. We are committed to delivering to our chefs the best breads and sweets from our bakeries, Leaven & Co and Baked, as well as curated baked goods from some of the best purveyors in New York.

We have developed our offering over many years to meet the practical needs of our chefs. We offer our chefs: (i) one-stop shopping for all bakery needs, (ii) dedicated customer service managers, (iii) oversight of orders from inquiry to delivery, (iv) flexible ordering either online, via email, or over telephone, and (v) wholly-owned distribution through our nearly 20 routes delivering multiple times per day in and around the greater New York area.

ONLY THE GOOD STUFF.

Baked is a classic bakery café, as American as apple pie... and cookies, tarts, and muffins, scones, bars, blondies and brownies. We have perfected our recipes after many thousands of iterations in our stores in Red Hook, Tribeca and Tokyo - where good old fashioned baked treats have been keeping the most discerning sweets connoisseurs full and happy for many years. These products are now available for all of our chefs.
