

Ann Morgan
100+WWC Door County
Co-Founder, Finance and Administration
May 2018

Upon retiring to Egg Harbor in 2017, I met some incredible women, who like myself, were looking for ways to give back to the Door County community they loved dearly and to meet other like-minded women. When I pitched the idea of 100+WWC to these women, the response was a resounding “YES”! Peggy Reineck, my co-founder, stepped up to join me in launching our chapter. I feel a tremendous amount of gratitude for all the women who helped launch our chapter, to our wonderful leadership team and to our phenomenal members. These women are fun, compassionate, intelligent, selfless in their giving and have come together to support our community and one another.

Thank you to all our amazing members and our Door County community for supporting 100+WWC!
