July 2018**

My family has had a home in Door County since I was a kid. I always knew I wanted to retire here some day and that finally happened in 2018! As I transitioned from my life in Corporate America to my life in Door County I knew I wanted to become more active in the community, refocus my time and look for ways to give back. I was intrigued by 100+WWC and I was fortunate to be one of the early members who joined, so it's been fun to see the organization change and grow. I wanted to learn more about the needs in our communities and the many organizations that help. I also wanted to meet and connect with other women who shared my interests.

100+WWC has delivered on all of it - far beyond any expectations I had! As service opportunities became available I kept "saying yes" and I'm now proud to be both the Nonprofit Coordinator and a Board member. I look forward to continuing to serve this amazing group and wonderful community that I am fortunate enough to call home!
