To apply for a Media or Photo pass, please read the guidelines below and click the continue button below to proceed with the application process. Please remember this is only a request, and it may not be approved.

YOU MUST SUBMIT YOUR APPLICATION BY Wednesday, August 15, 2018. We will not review or consider applications received after this date. You will be notified of your application status by Monday August 27, 2018. Thanks in advance for your cooperation.

If your application is approved you will receive a confirmation, followed by on-site details. Additionally, if you are approved for Photo credentials, you will be required to sign a release of liability and/or a photo release prior to receiving your credentials.

NOTE: Media & Photo passes must be accompanied by a Festival pass, they do not allow entry on their own. A Media Pass gives you access into the on-site media area. A Photo Pass gives you access into the on-site media area, and the photo pits at the combined discretion of Zenitheve Music Festival and the bands. Both must accompany a Festival pass for Festival entry; either secured personally or requested as part of your application. An individual can either request a Media pass or a Photo pass, but not both.

RADIO STATIONS: Please be as specific as possible about your coverage plans, and any on-site broadcasting you wish to do. Radio stations are rarely granted photo passes to please consider this when planning coverage and applying for media passes. You will be required to supply an affidavit of your coverage post festival.

PRINT AND ONLINE MEDIA:

WEB ZINES and BLOGGERS: Please help us by providing detailed information about the website and details of your piece.

FREELANCE PRINT MEDIA: Please submit a list of outlets you have or intend to pitch as well as links to past assigned/published work.

PHOTOGRAPHY:

PHOTOGRAPHERS ON ASSIGNMENT: Any photographer wishing to apply for a photo pass must be on assignment. We will only credential photographers with professional cameras. Point-and-shoot cameras, cell phones, and go-pros will not be permitted in the photo pits, a policy enforced by security and staff. Due to the large amount of requests received each year and limited amount of space in the photo pits, only a small percentage of applying photographers receive a photo pass. Photo passes do not provide on-stage or backstage access.

COLLEGE/WEBSITE PHOTOGRAPHERS: Photo passes for college newspapers and website photographers are extremely limited.

VIDEOGRAPHY: Video cameras are approved on a very limited basis. Of those approved, video camera use is restricted to the on-site media area. Any on-site filming requires an escort from the festival. You will be required to

request escort time in advance of the festival. Any unauthorized video can result in confiscation of equipment and removal from Festival grounds.

INTERVIEWS: Interviews should be arranged with artist management directly. Artist management will have sole authority to accept or refuse interview requests. All interviews should take place in the on-site media area.

Please contact info@zenitheve.com with any other press inquiries. Please do NOT contact us with questions regarding the status of your application. All applicants will be contacted on August 28th with confirmation or denial of the request.

Thank you in advance for your time and we appreciate your interest in and support of Zenitheve Music Festival.
