

Soffietta Studio

A Legacy Society of Museum of Glass

Museum of Glass recognizes those who name the Museum in their estate, or make a planned gift of any amount, with a membership in **The Soffietta Studio**. When you become a member of this planned giving society, you will have the opportunity to participate in artist and collector events that are exclusive to our legacy members. You will be invited to engage in one-to-one conversations with artists and collectors. Learn in vivid detail about what inspires artists to create and collectors to become so passionate about glass art.

- I have included Museum of Glass in my estate plan.
- I would like to learn more about how my gift can have a lasting impact at MOG.
- Please have someone contact me to discuss The Soffietta Studio.
