Happy Birthday to Robert Frost!

Celebrate Robert Frost’s birthday on March 26 by planning a party with some fun activities for you and your friends. Here’s how to get started:

- Ask guests to bring their favorite Frost poem to the party.
- Make a birthday cake or cupcakes.
- Make banana pudding topped with chocolate syrup and whipped cream. The Frost family served this pudding along with cake at birthday parties.
- After you sing “Happy Birthday” ask the guests to read their poems.
- Play Dominoes and Checkers, games Robert Frost played with his children.
