A versatile solution for high walls and stacked panels

Stack your 1-1/8" forms with confidence using these heavy-duty clamps. The SBC-4 accepts a single vertical 2x4 provide security while stacking, while the SBC-8 accepts an additional horizontal 2x4 to ensure true alignment of panels.

FEATURES:
- Uniform one-piece design
- NO SEPARATE NUTS OR OTHER FASTENERS REQUIRED.
- Adjustable

MATERIAL: High strength low alloy steel.
FINISH: Zinc plating.

INSTALLATION: Simply slide the reinforcement lumber (commonly 2x4) through the Strongback Clamp then clip onto panel shoulder bolt.
