ABOUT OUR BUSINESS

1

Etactics was established in June of 1999. Our software company was originally formed to provide Revenue Cycle Management services to healthcare providers. Today, Etactics serves over 4,000 clients to provide innovative solutions that optimize the accuracy of sensitive documents, increase overall business intelligence, and implement sound compliance policies. Etactics' purpose is to facilitate our clients business and act as a single connection point to all payers.

2

Etactics has continued to grow and be recognized for its operational performance by many esteemed groups including Weatherhead 100, Cascade Capital Corporation, and Smart Business Magazine. We recognize that the only reason our clients send a bill is to be paid. We design our efforts to help them achieve that goal by adhering to our three core competencies - Passion. Excellence. Innovation.
