

Rest • Connect • Learn

• To connect, equip, and empower people to build a Church where women thrive •

When women feel fully welcomed it lays the groundwork for deep community building, transformative learning, and spiritual restoration. As we train leaders to love and build up women, we desire to model spaces that welcome, connect, and equip women.

The Rise House will be an inviting and sacred place for women to gather from all over the country in order to learn, be encouraged, and equipped to continue to lead and further the important work they are doing. Rise is committed to sharing our resources, connections, and platform. The Rise House will provide all women, especially women of color, disabled, impoverished, single, and other marginalized women, with an event space they otherwise might be unable to access.

Our goal is to secure a property by December 31, 2018, and have The Rise House ready to begin hosting women by April 1, 2019. Your donation is tax-deductible, and will help make The Rise House a reality.

Thank you for your support!

Holly Stallcup

Holly Stallcup, Executive Director

Ministry

The Rise House will provide a dedicated space to host events and offer resources.

- Retreat space for individuals, churches, universities, and para-church ministries
- Rise ministry projects, including the production of a podcast
- Workshops, book clubs, Bible studies, and retreats hosted by Rise
- Lending library of resources for leaders

Invest

The Rise House will be a source of additional income when not used for ministry events. The vision is to spend more time in ministry and less time fundraising.

We will rent The Rise House for:

- Daytime events such as bridal showers, birthday parties, and corporate events
- As a vacation rental and Air BnB

Sustain

The Rise House will serve as housing and office space for the Rise Executive Director.

Benefits:

- Less money spent on overhead
- Storage space for Rise equipment
- More opportunities for connection
