HEB ISD Education Foundation

Working in collaboration with the HEB ISD Education Foundation Board of Directors, the HEB ISD staffing team, and the HEB Chamber of Commerce, to forward the Foundation's mission to support the HEB ISD's commitment to excellence in education. Coordinating the board of director functions, the community engagement, the annual giving campaign we developed, the management of the Awards of Excellence program and ceremony, the HEB ISD staff giving campaign and New Professionals luncheon, the Empowered to Excel grants program, technology improvements, and strategic planning for increased capacity. Since 1995, the Foundation has raised and awarded more than \$1.9 million in classroom and campus grants.

“I continue to be awed by your talent. You are diplomatic and strategic, unfailingly polite and consistently upbeat. I am so very grateful for your wisdom, guidance and patience as we move our Foundation forward. You and your team provide a depth of capacity simply not found elsewhere. Thank you.”

Alicia McGlinchey, Former Board President - HEB ISD Education Foundation
