Founded in Queens, NY in 2008, Grameen America builds on the legacy and proven model of Nobel Peace Prize Laureate Professor Muhammad Yunus. His revolutionary but simple idea that all people can lift themselves out of poverty through their own entrepreneurial spirit has dramatically altered how the world views global poverty.

Grameen America is the fastest growing nonprofit microfinance organization in the United States with a proven national solution to advance financial inclusion for women. We provide small loans, training and support to low-income women to help them build businesses, achieve higher family incomes and revitalize their communities.
