GRAMEEN AMERICA
WHO WE ARE

Grameen America is the fastest growing nonprofit microfinance organization in the United States with a proven national solution to advance financial inclusion for women. We provide small loans, training and support to low-income women to help them build businesses, achieve higher family incomes and revitalize their communities.

OUR HISTORY

Founded in Queens, NY in 2008, Grameen America builds on the legacy and proven model of Nobel Peace Prize Laureate Professor Muhammad Yunus. His revolutionary but simple idea that all people can lift themselves out of poverty through their own entrepreneurial spirit has dramatically altered how the world views global poverty.

OUR SERVICES

Grameen America provides microloans (ranging from $2,000 to $15,000), financial training and support to members. As part of our program, members open free savings accounts with commercial banks and make weekly deposits. We also report microloan repayments to Experian and Equifax, enabling our members to build their financial identity.
