A Message Regarding Coronavirus

Dear Patrons and community members,

We are very excited about our upcoming Violins of Hope concerts on March 13th and 14th and exceedingly thrilled that we have full audiences for both performances.

Peninsula Symphony is committed to the health and safety of everyone at our concert halls. We are seriously monitoring the global situation, and are receiving updates from the CDC and its advice on public gatherings: [https://www.cdc.gov/coronavirus/2019-ncov/community/mass-gatherings-ready-for-covid-19.html](https://www.cdc.gov/coronavirus/2019-ncov/community/mass-gatherings-ready-for-covid-19.html). We will be taking extra precautionary measures by providing hand sanitizers and disinfectant wipes in our concert halls, particularly in high traffic areas. Additionally, the custodial staff will be disinfecting commonly touched surfaces, such as doors, handles, elevator keypads, etc.

We highly encourage those who feel unwell or who may be at increased risk to stay home, and we are happy to make adjustments to any existing tickets. You may contact the Box Office at 650-941-5291 or email us at info@peninsulasymphony.org if you need to exchange tickets for an upcoming performance.

All concerts are currently happening as scheduled. If we receive an official recommendation to cancel events, we’ll notify all ticketholders by email or phone as soon as possible. The latest updates will be posted here on our web site and Peninsula Symphony’s Ticket Office outgoing voicemail (650-941-5291) will also be updated if there are any changes to the schedule.

Please feel free to reach out to me if you have any questions: sheri@peninsulasymphony.org or 650-941-5291.

Thank You,

Sheri Frumkin
Managing Director
