# VERMOUTH

---

With origins from around the world, Europe has taken it as their own. Now also produced in America and Australia, the new world has taken this tradition and added their own twists.

Using a white or red wine base, each vermouth is given its distinctive aromas and flavour by incorporating botanicals, herbs and bark.

# SHERRY

gls/btl

---

**EQUIPO NVAZOS MANZANILLA 'I THINK'**

8.5/59

Sanlúcar de Barrameda, Spain

A fino sherry with the salty, seaside tang. Bottled off as its flor recedes, to be presented fresh. Wonderful with raw & salty things; anchovy, baccala, oysters, olives...

**919 PALE DRY APERA (Fino style)**

8.5/59

Riverland, SA

Brilliant Oz fino, bottled fresh as its flor goes, at about 3 years. Pale & concentrated with notes of nuts & baking. Suits nuts, cheese & baked nibbles.

**EMILIO LUSTAU AMONTILLADO 'LOS ARCOS'**

10/35

Jerez de la Frontera, Spain

Fino with that little extra age in wood instead of bottling as a fresh fino. Light browns & some rancio over a still-fresh wine, unbeatable for slightly darker things; mushroom, pâté, olives, firm cheese, smallgoods & light braises. Is there anything better with jamon?

**SANCHEZ ROMATE OLOROSO 'DON JOSE'**

12.5/76

Jerez de la Frontera, Spain

The sherry chosen for extra age & enrichment, without starting as a (flor) fino. The darkest & oldest of the dry sherries. An ideal, sometimes uncanny match, for darker foods, smallgoods, terrines, smoked meats & fish.

**'86 TORO ALBALA PEDRO XIMENEZ MONTILLA GRAN RESERVA**

13.5

Cordoba, Spain

Everyone knows the 'black sherry' – figs in syrup, coffee, chocolate, raisins, black tea – Xmas pudding in a bottle. Great with dark, baked, syrupy and chocolatey desserts.
