ABOUT BEST & THE BICYCLE VALET

The Bicycle Valet is an initiative of BEST (Better Environmentally Sound Transportation), an established non-profit charity that provides practical solutions to support sustainable transportation. Our vision is to create healthy, vibrant communities built around walking, cycling, transit and ride-shares.

Since 2006, BEST's Bicycle Valet has provided free, safe, secure "coat-check-style" bicycle parking at community events for individuals using active transportation.

By providing a turn-key professional service to local event hosts, we offer a highly-visible, sustainable service that can be showcased to all event patrons.

In 2014 we parked more than 25,000 bicycles over 170 event days, which included our presence at such high profile events as:

- Celebration of Light
- Food Cart Fest
- All Vancouver Whitecaps FC Home Games at BC Place
- 2014 UBC Special Olympics
- Granville Island seasonal bike valet
- Greek Day on Broadway
- Vancouver Pride
- Squamish Valley Music Festival

BEHIND THE SCENES:

- We start set up one to two hours before the event begins. This will include our fencing, bike racks, banners, tent, table, banners and directional signage.
- We operate with a minimum of one Bicycle Valet staff member on site at all times.
- We stay open for bicycle retrieval half an hour after the event ends, or until an otherwise agreed upon time, at which point we clean up and leave the site the way we found it.

WE PROVIDE:

- Secure, ticketed bicycle parking service for your event
- Staffing and materials related to the service
- Custom secure fencing and bicycle racks
- Directional way-finding service for patrons to find us
- Cross promotion
- Training information and resources available upon request

THE COST OF OUR SERVICE DEPENDS ON:

- 1 The hours of your event. Let us know what time your event starts and ends, and if these are the same hours The Bicycle Valet would be open.
- 2 The size of the Valet. Let us know the number of bicycles you would like capacity for at one time. Estimates are fine!
- 3 The location of your event. Events taking place outside Metro Vancouver will cost a bit extra.

"Huge thanks to the BEST team for yet again providing a much needed public service at our events. Not only were you efficient to deal with in the lead up to the event, you turn-key everything on site so that we have one less element to worry about. With more of our events utilizing as many green practices as possible, this is definitely one that we can't do without and it continues to amaze us how much we underestimate it's popularity with our patrons."

Katie Harries, Project Manager

"Granville Island was extremely happy to work with BEST to offer a secure bike lock up for Canada Day on Granville Island. The service encouraged alternate transportation, offered a visible, secure, and safe lock up service for cycling commuters and visitors, and helped make our streets more people friendly. BEST staff and volunteers were professional to work with and offered a friendly, easy, and secure service. Thank you!"
