

TABLE BLUFF FARM ~ CSA MEMBER AGREEMENT

When you sign up for a CSA farm share at Table Bluff Farm, you are guaranteed wholesome, tasty freshness grown locally and regeneratively.

2022 Spring/Summer/Fall CSA Share Details

Please Read Carefully

- 1. Length of Season:** You are signing up and agreeing to pay for a weekly share for the 2022 season (from April 4 to September 30, or 26 weeks total). However, we won't charge you up front for the whole season like a traditional CSA does. It's pay as you go!
- 2. What's Included:** For \$20/week, get a seasonal variety of fresh veggies and other goodies (5-7 items per week). You'll also have access to our online farm stand, where you can add on additional items like eggs, as available. Your weekly share will come in a reusable, collapsible, plastic Instacrate box that is sanitized in between uses. a weekly emailed newsletter with updates on the farm, the week's share contents, and special announcements will be sent to you.
- 3. Pick Up (or Delivery) Days, Times, & locations:** You agree to pay for your weekly box on one of the following days for the entire season (April 4 to September 30, or 26 weeks total)*:
 - Doorstep Delivery on Mondays from 5–7:30 pm for members living in Loleta (Free delivery) or fortuna (extra \$5/week)

***You may change your pick-up day/location with 3 days' notice.**

- 4. Payment:** Payment is due each week **on or before** your pick-up or delivery day. Accepted payment methods include: Credit cards or PayPal through our website, cash, Venmo, & checks (made payable to Table Bluff Farm). Bounced checks will incur a \$25.00 fee. When possible, paying through our website is preferred to reduce our handling of your cards or cash. And signing up for autopay each week is even better!
- 5. Vacation / Opt-Out days:** We understand that you might not always be able to pick up your CSA share. You have 3 options when that happens: 1) You're welcome to ask someone to pick it up for you, or 2) You can donate your box to our Pay It Forward program, giving it to someone in need, or 3) you can choose to opt out for 2 weeks in the season. We must have at least three days' notice prior to your next pick-up/delivery day of your decision to opt out. Otherwise, you may forfeit that week's box and be billed for the week.
- 6. Cancellation:** We understand that life happens and you might not be able to keep your CSA share. That's A-OK! just give us two weeks' notice, pick up your boxes and pay for those remaining two weeks, and we're good! That gives us enough time to find a replacement for your CSA share. If you cancel without giving two weeks' notice, you will be billed for two remaining weeks while we find a replacement. you still have access to your share during those final two weeks. If you don't show up without prior notice, we will assume that you have cancelled, and you will be billed for two weeks of shares.

Thank you for your support of local, regenerative food grown on a woman-owned farm!
