GOALIE CATALOGUE

When you're born to play™

# When you're born to play

Leading the way. That's what we've been doing now for over 100 years. That's what we're dedicated to do for many years to come. Dedicated to make a difference, dedicated to improve your game.

Developed in conjunction with the most impressive line-up of pro goalies such as **Martin Brodeur**, **Ed Belfour**, **Olaf Kolzig** and **Marc Denis**, our line of goalie equipment stands out from the crowd with its clear focus on innovation and performance. Results speak for themselves. New Jersey Devils' goaltender Martin Brodeur won the Vezina Trophy and a World Cup Championship title wearing CCM's Gatekeeper Series.

The NHL<sup>1</sup> Platinum Shield Collection.

We work closely with NHL<sup>1</sup> players to bring you the best products in the industry. CCM<sup>®</sup> equipment bearing the NHL<sup>1</sup> Platinum Shield are those same select pieces of authentic hockey equipment that meet the highest standards of NHL<sup>1</sup> pro players.

Our commitment to the game is also reflected in our continued support of hockey leagues across the world. Ground-breaking partnerships with the AHL<sup>1</sup>, ECHL<sup>1</sup> and CHL<sup>1</sup> make CCM<sup>®</sup> the most visible brand in hockey today and for many years to come. It also guarantees that every piece of equipment we put on the market was tested and approved by the best players in the game.

Premier Equipment Supplier

## Gatekeeper™

Control your performance with an optimized transitioned design adapted to the needs of today's goalie.

### **Domination: Optimized blocking surface**

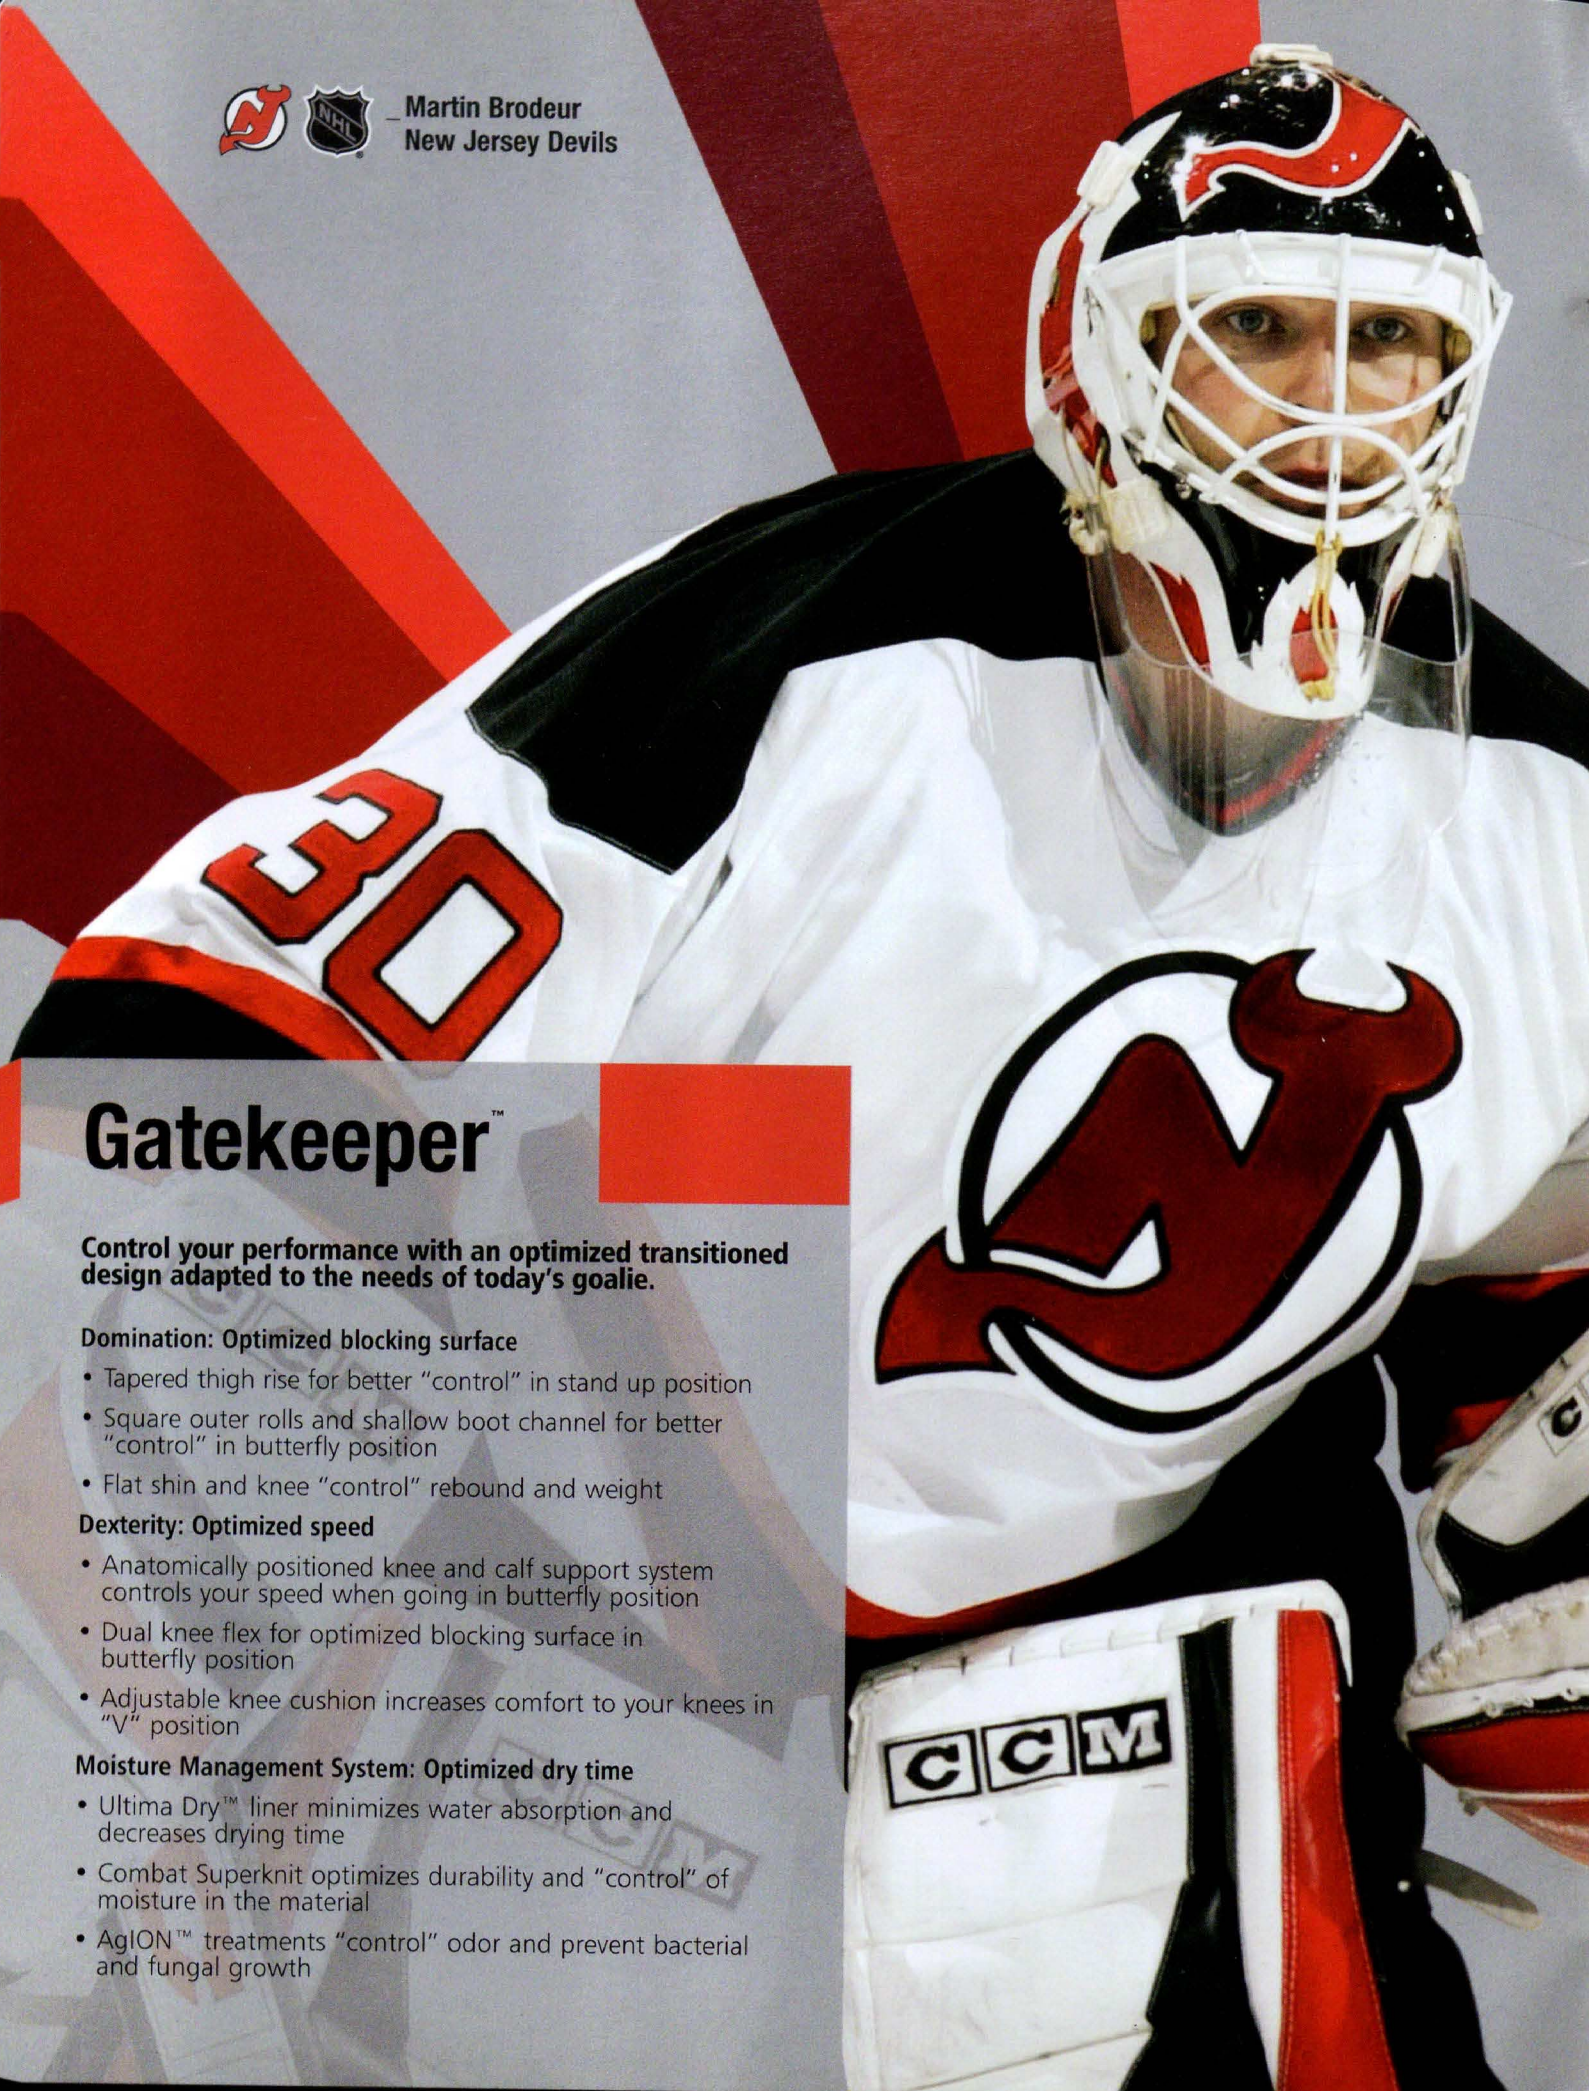

- Tapered thigh rise for better "control" in stand up position
- Square outer rolls and shallow boot channel for better "control" in butterfly position
- Flat shin and knee "control" rebound and weight

### **Dexterity: Optimized speed**

- Anatomically positioned knee and calf support system controls your speed when going in butterfly position
- Dual knee flex for optimized blocking surface in butterfly position
- Adjustable knee cushion increases comfort to your knees in "V" position

### **Moisture Management System: Optimized dry time**

- Ultima Dry™ liner minimizes water absorption and decreases drying time
- Combat Superknit optimizes durability and "control" of moisture in the material
- AgION™ treatments "control" odor and prevent bacterial and fungal growth

G

**\_ Tapered Thigh Rise**

Tapered thigh rise for better "control" in stand up position

**\_ Square Vertical Rolls**

Square vertical rolls increase coverage in both stand up and butterfly position

**\_ Knee Breaks**

2 knee breaks increase coverage in butterfly position

**\_ Flat Knee Rolls**

Flat knee rolls for rebound control and weight reduction

**\_ Shallow Boot Channel**

Shallow boot channel increases width and maximizes skate pivot

**Gatekeeper™ PRO Pad**

# Gatekeeper™ Series

Featuring the NHL® Platinum Shield.

Thigh rise	+1" to customize the fit with thin profile
Knee	Flat knee rolls for rebound control and weight reduction
Boot	Shallow boot channel increases width and maximizes skate pivot
Last	100% foam construction, HD/LD, lightweight and consistent in shape
Knee	Cradle suspension system controls the rotation of the knee when going into butterfly
Calf	Suspension system gives a better support to the leg
Liner	ULTIMA DRY™ anti-microbial ULTRA FRESH™ liner for an optimal blend of comfort, durability and moisture management
Straps	Nylon webbing with plastic buckles increases durability and decreases weight
Knee breaks	2 knee breaks increase coverage in butterfly position
Rolls	Square vertical rolls increase coverage in both stand up and butterfly position
Colors	White/Black/Silver, White/Red/Black, Black/White/White, Navy/Silver/White
Sizes	*31"+1, 32"+1, 33"+1, 34"+1, 35"+1, 36"+1**All stock sizes come with an extra 1" at the thigh rise
	Also available in custom colors and sizes

## GATEKEEPER™ PRO PAD SERIES

### FEATURES

**GATEKEEPER™**

- 1 ULTIMA DRY™ anti-microbial ULTRA FRESH™ lining in calf and knee for an optimal blend of comfort, durability and moisture management
- 2 Cradle suspension system controls the rotation of the knee when going into butterfly

## GATEKEEPER™ PRO GLOVE SERIES

Featuring the NHL® Platinum Shield.

<b>"T"</b>	Design with a deeper pocket for better control when playing the puck
<b>Cuff</b>	Two-piece design allows greater wrist flexibility and control
<b>Knuckles</b>	Open knuckles for better fit and freedom of movement
<b>Palm</b>	Synthetic felt with foam insert for easier break in
<b>Break</b>	All Pro Gatekeeper™ gloves are steamed for "game ready" feeling
<b>Protection</b>	Molded high-density foam finger protector for increased protection when freezing the puck
<b>Liner</b>	ULTIMA DRY™ anti-microbial ULTRA FRESH® liner for an optimal blend of comfort, durability and moisture management
<b>Straps</b>	Two way strapping system, wrist and top of hand
<b>Flex</b>	Flexible cuff increases puck control around the net
<b>Combat</b>	COMBAT SUPERKNIT provides comfort and moisture management
<b>Colors</b>	White/Black/Silver, White/Red/Black, Black/White/White, Navy/Silver/White
<b>Sizes</b>	Medium, Large, Regular and Full Right

## FEATURES

- 1 Traditional mid 60° break provides great fit and optimized control when playing the puck
- 2 Open knuckle design for better fit and control
- 3 ULTIMA DRY™ palm and COMBAT SUPERKNIT for maximum moisture control

## GATEKEEPER™ PRO BLOCKER SERIES

Featuring the NHL® Platinum Shield.

<b>Insert</b>	Lightweight design using HD/LD foam for maximum control and balance
<b>Thumb</b>	Extra protection in the thumb extends to the first finger
<b>Finger</b>	Extra protection for the index and top finger using HD foam
<b>Cuff</b>	Open in two pieces for increased fit
<b>Strap</b>	Wrist strap attachment for custom fit
<b>Palm</b>	PITTARD® palm, goat skin leather palm with seamless finger and Silicone Dot nash maximize fit and increase durability
<b>Gussets</b>	3D mesh palm and thumb gusset provide greater air circulation
<b>Combat</b>	COMBAT SUPERKNIT provides comfort, moisture management and greater durability
<b>Balance</b>	Design maximizes weight balance
<b>Colors</b>	White/Black/Silver, White/Red/Black, Black/White/White, Navy/Silver/White
<b>Sizes</b>	Regular (legal) and Full Right

## FEATURES

- 1 Lightweight blocking insert optimizes blocking surface and controls balance
- 2 COMBAT SUPERKNIT open cuff for better flex and greater fit for the arm & body
- 3 Pittard's palm with seamless finger for better fit and less moisture absorption - Nash SILICONE DOTS for better grip

Marc Denis  
Columbus Blue Jackets

# Blockade®

The equipment line that revolutionized goaltending.

## Control : Maximize blocking surface

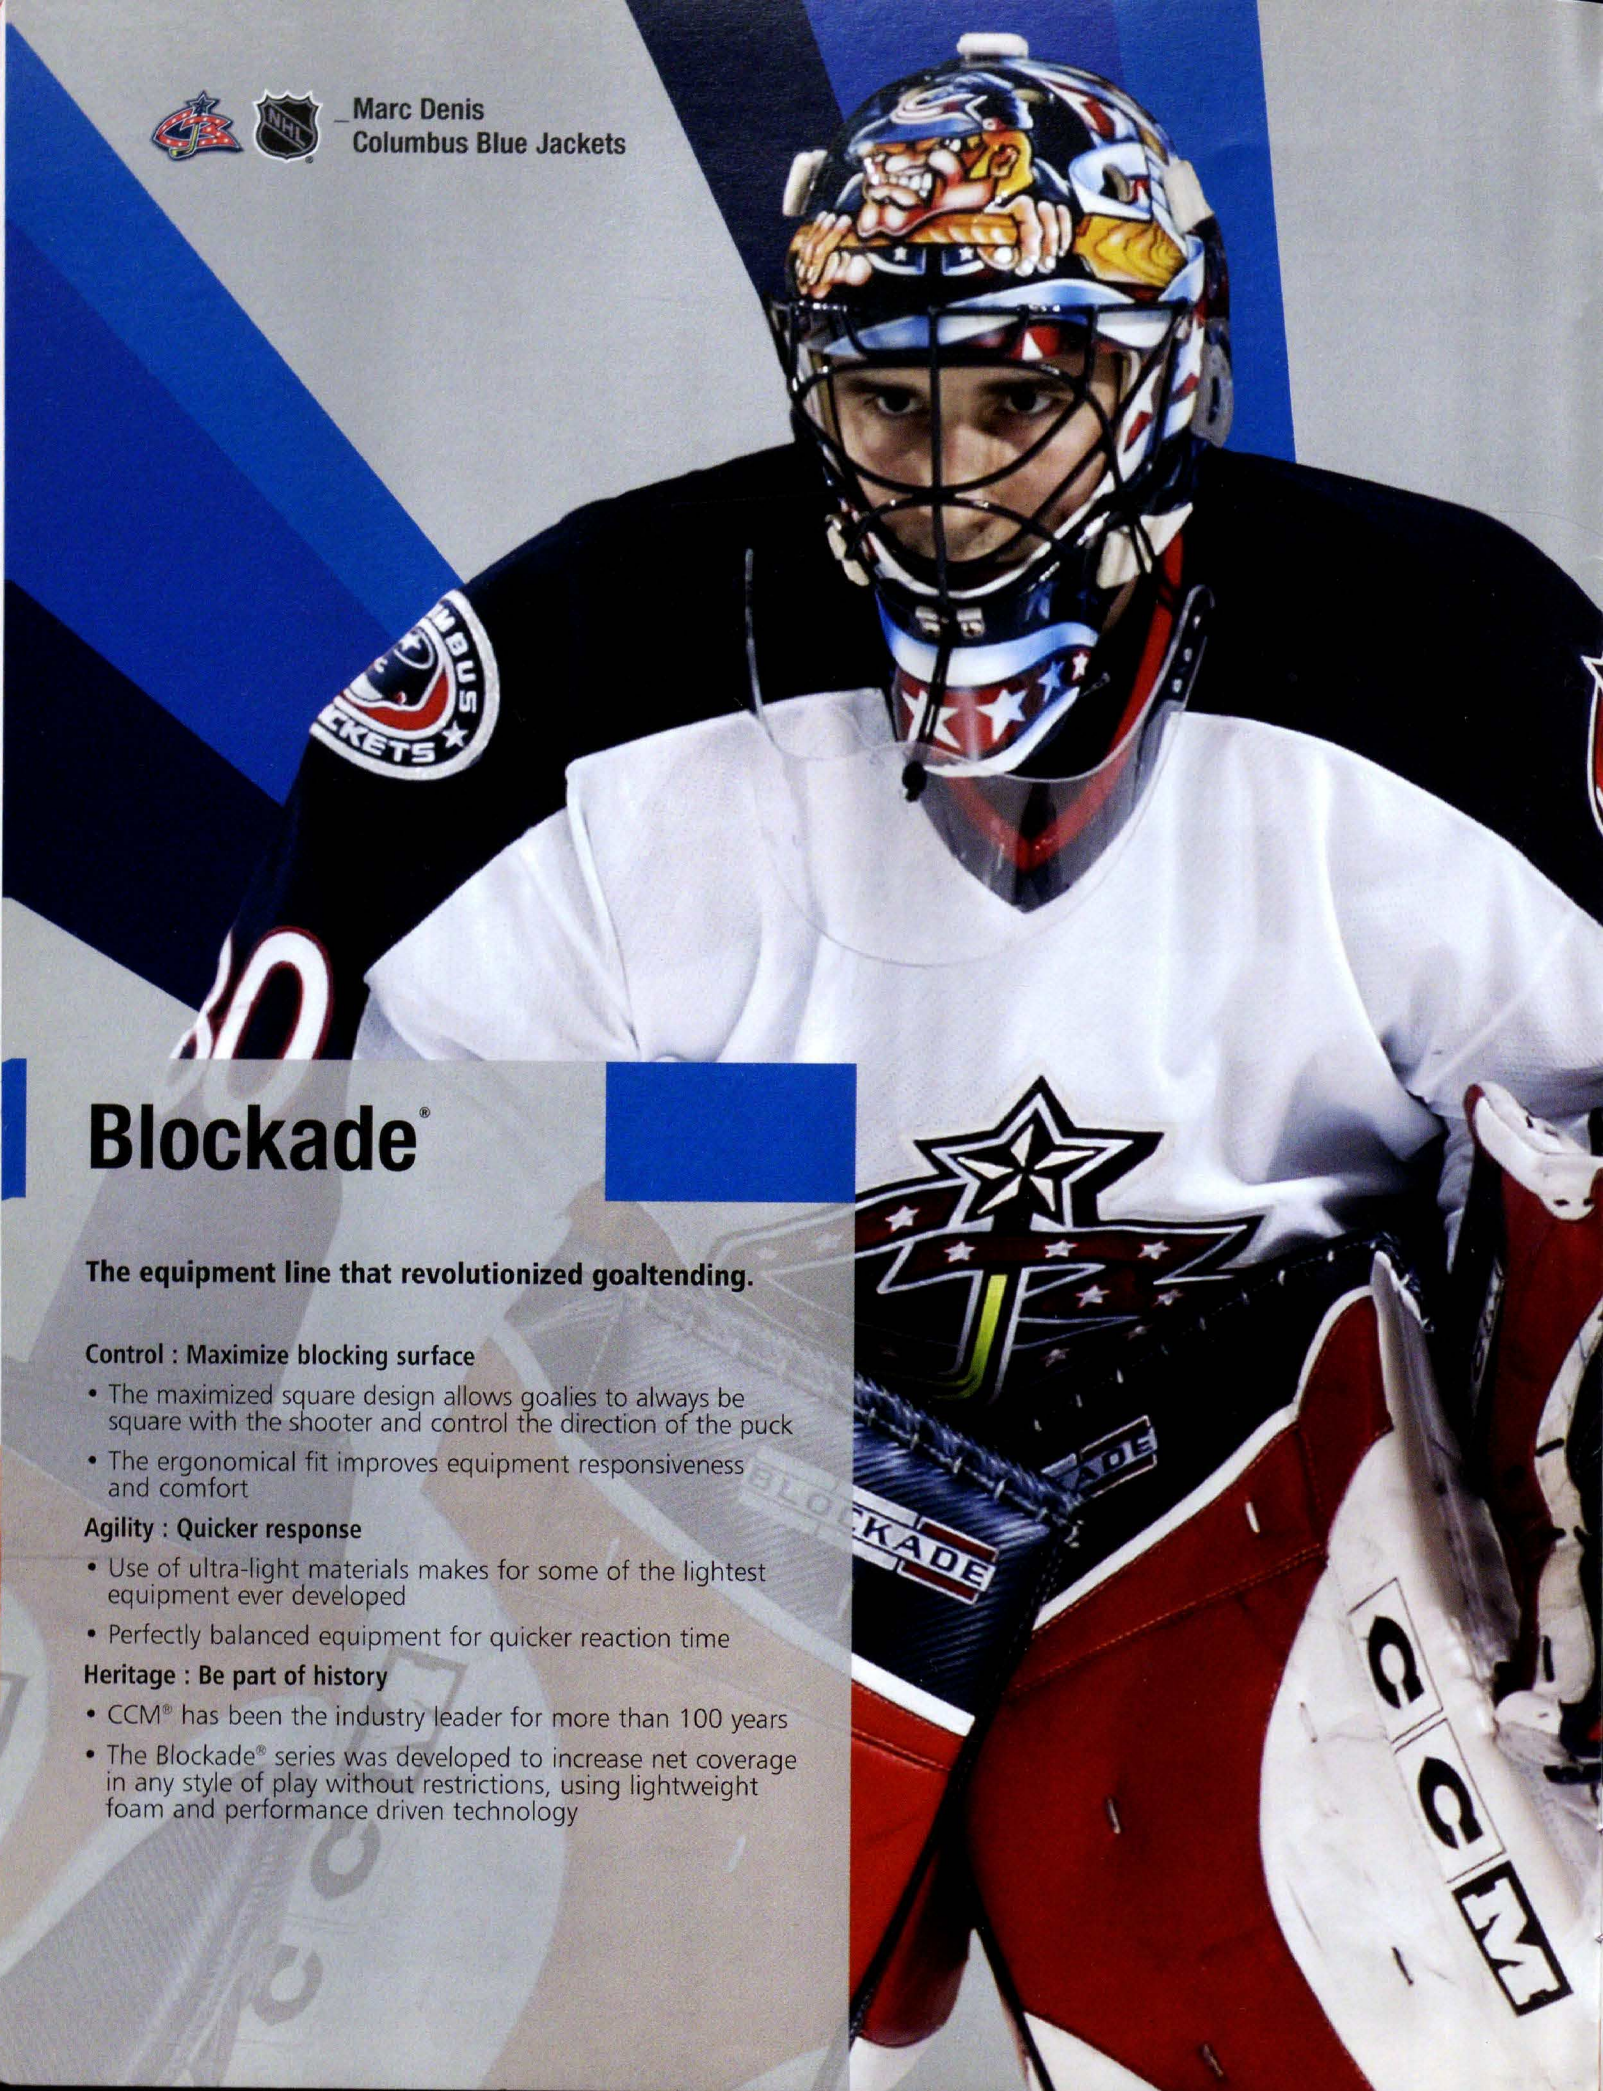

- The maximized square design allows goalies to always be square with the shooter and control the direction of the puck
- The ergonomic fit improves equipment responsiveness and comfort

## Agility : Quicker response

- Use of ultra-light materials makes for some of the lightest equipment ever developed
- Perfectly balanced equipment for quicker reaction time

## Heritage : Be part of history

- CCM® has been the industry leader for more than 100 years
- The Blockade® series was developed to increase net coverage in any style of play without restrictions, using lightweight foam and performance driven technology

**B**

**Upper Knee Break**

Upper knee break to help close 5 hole in butterfly position

**30 Degree Roll**

30 degree vertical roll generates deflection control and maximizes blocking surface in butterfly position

**Uniform Flat Front**

Uniform flat front design provides absolute puck rebound control

**Shallow Boot Channel**

Shallow boot channel allows maximum width and better skate pivot

Use of ultra-light materials makes for some of the lightest equipment ever developed

**Blockade PRO Pad**

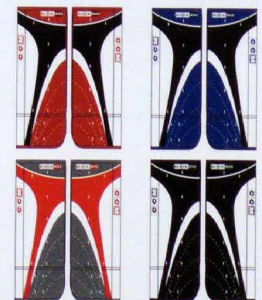

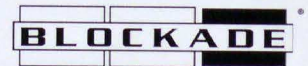

Rebound	Uniform flat front design provides absolute puck rebound control
Deflection	30 degree vertical roll generates deflection control and maximizes blocking surface in butterfly position
Suspension	Ergonomical knee and calf cradle suspends the leg to control the rotation of the pad when in stand up and butterfly position
Foam	High-density foam inside gusset squares the front of the pad, providing additional blocking surface
Boot	Shallow boot channel allows the skate to pivot when going in butterfly position
Straps	Nylon webbing straps with plastic buckles for durability and lightweight
Liner	H:O Control™ liner for increased fit and better moisture management
Colors	White/Red/Black, White/Blue/Black, White/Silver/Red, White/Black
Sizes	32", 33", 34", 35"

\*Also available in custom colors and sizes

## BLOCKADE® PRO PAD SERIES

### FEATURES

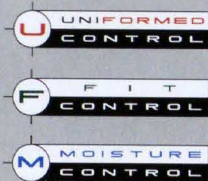

- 1 Ergonomic ultra lightweight EPP knee and calf cradle suspends the leg to control the rotation of the pad when playing stand-up and butterfly
- 2 H:O Control™ liner for increased fit and better moisture management

## BLOCKADE® PRO GLOVE SERIES

<b>Uniform</b>	One-piece thumb and cuff design keeps the glove square to the shooter providing greater blocking surface
<b>Moisture</b>	Construction allows the knuckle pad to completely fold open to dry the H:O Control™ inside palm
<b>Cuff</b>	Contoured cuff design allows greater wrist flexibility when playing and freezing the puck
<b>Break</b>	All Pro Blockade® gloves are steamed to provide a "game ready" feel
<b>Protection</b>	Molded high-density foam finger protector provides the greatest protection
<b>Straps</b>	3-way strapping system, finger, hand, wrist for custom fit and better feel with comfort pad at the wrist
<b>Pocket</b>	Extended pocket for better coverage
<b>Colors</b>	White/Red/Black, White/Blue/Black, White/Silver/Red, White/Black
<b>Sizes</b>	Large, Full Right

\*Also available in custom colors

## FEATURES

- 1 Uniform one-piece thumb and cuff design keeps the glove square with the shooter to provide a greater blocking surface
- 2 Construction allows the knuckle pad to completely fold open to dry the H:O Control™ inside palm
- 3 Finger-cinching system provides an improved fit and additional glove control when opening the glove

## BLOCKADE® PRO BLOCKER SERIES

<b>Gravity</b>	GRAVITY CONTROL TECHNOLOGY™ provides greater wrist control to prevent torque
<b>Deflection</b>	High-density molded foam design allows the goalie to control the puck deflection on the blocker face
<b>Cuff</b>	Contoured cuff design allows greater wrist flexibility when playing the puck
<b>Finger</b>	3-piece finger protection offers increased protection in butterfly and paddle down
<b>Protection</b>	High-density foam protection for the wrist and thumb
<b>Straps</b>	VELCRO® wrist straps for custom fit
<b>Comfort</b>	Comfort foam improves comfort at the back of the hand and wrist
<b>Gusset</b>	3D mesh palm gusset and thumb provides greater air circulation
<b>Colors</b>	White/Red/Black, White/Blue/Black, White/Silver/Red, White/Black
<b>Sizes</b>	Regular, Full Right

\*Also available in custom colors

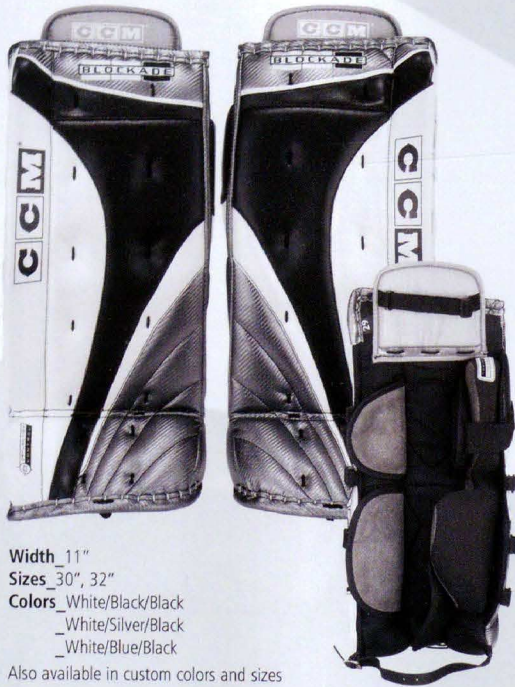

## FEATURES

- 1 Ultra thin dual density molded foam technology brings the center of gravity closer to the back of the hand to optimize blocker control
- 2 High-density foam protection for the wrist and thumb
- 3 Improved flexibility at the wrist with the two piece contoured cuff design

## Arm & Body

Introducing the most technologically advanced arm & body protection to date.

**Protection :**

- 3-way flex shoulder protection high-density foam
- Extended rib protection using HD/LD blocks

**Flexibility :**

- 4-way flex in the arm hinge creates mobility
- New chest design creates easier movement in crouch position

**Fit :**

- Adjustable web strap in the back better fits the front chest and shoulder
- New hydrophobic orange liner with lightweight CELIFF foam creates one of the lightest body protectors in the game, at only **5.71 lbs**

A

**\_ Hydrophobic Mesh**

New orange fabric mesh with hydrophobic properties

**\_ 3-Way Flex Design**

New 3-way flex design maximizes fit and protection

**\_ 4-Way Flex**

New 4-way hinge fit increases flexibility

**\_ Chest protection**

High-density foam blocks in new triangle shape increase fit, flex and protection

**\_ Rib protection**

High-density foam blocks in the rib area for best protection

**\_ Bicep protection**

CELIFF foam in the forearm and biceps combined with low-density foam reduces weight to 5.7lbs (large)

## Goalie Sticks

CCM® introduces the first major goalie stick revolution in 15 years from the same team that originally designed the foam composite goalie sticks. Exceptionally lightweight, this 700 gram goal stick allows for quicker stick movement to make that big save and less fatigue late in the game.

### Graphite Handle

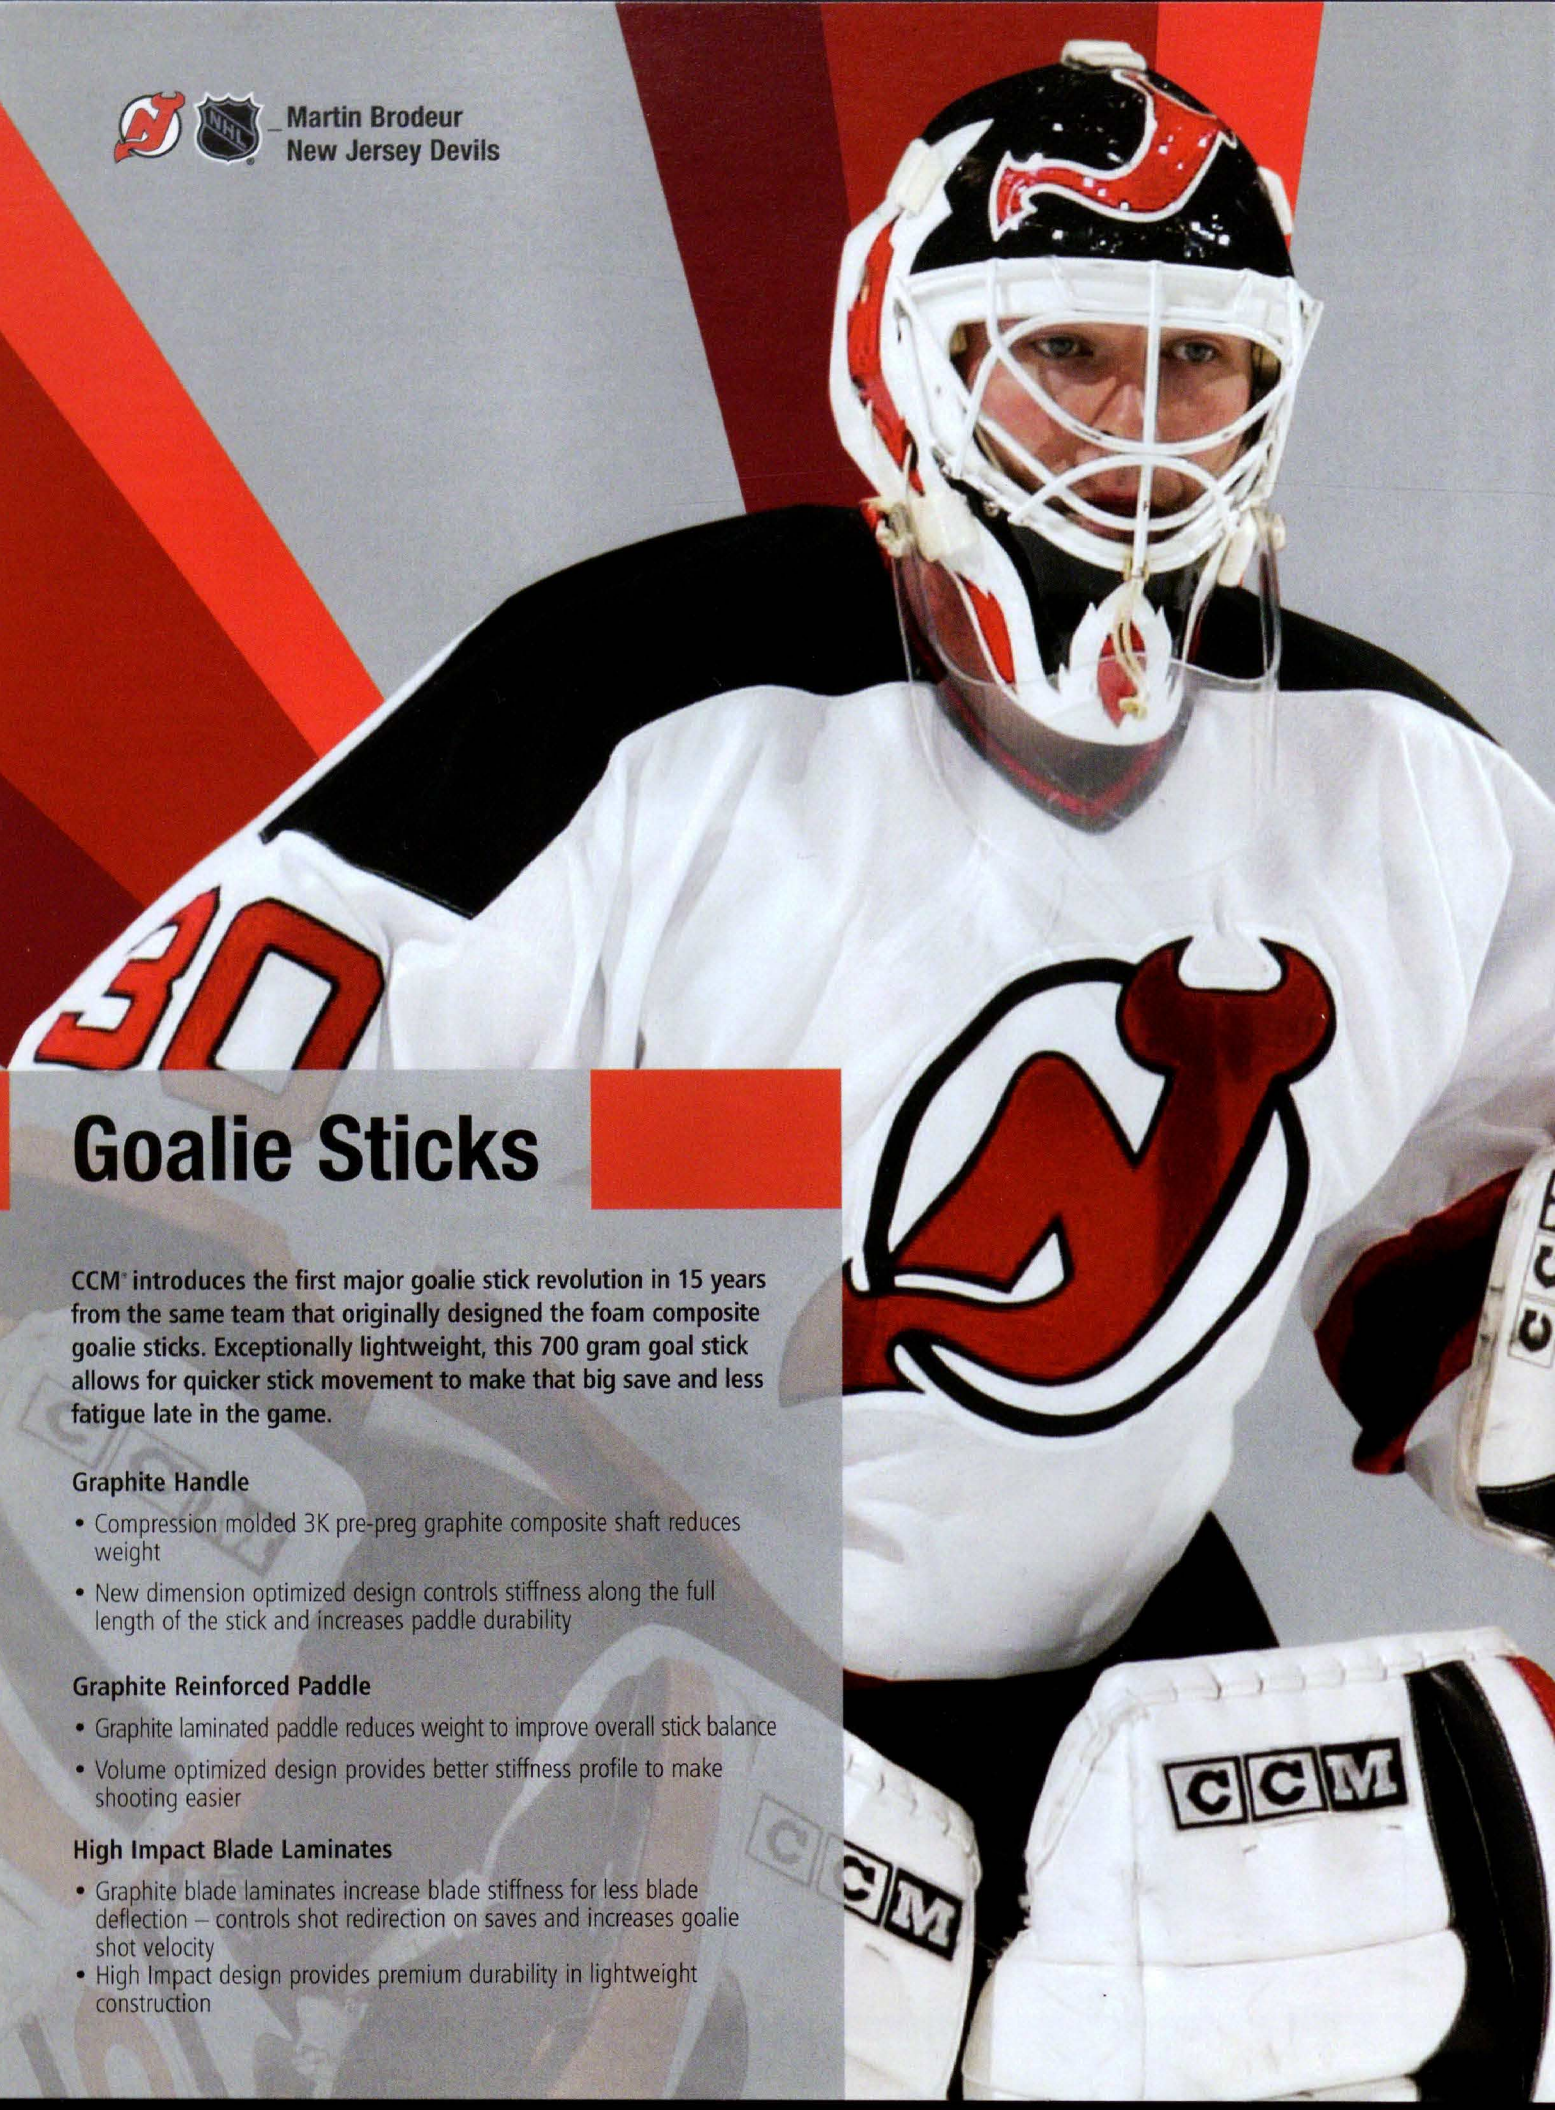

- Compression molded 3K pre-preg graphite composite shaft reduces weight
- New dimension optimized design controls stiffness along the full length of the stick and increases paddle durability

### Graphite Reinforced Paddle

- Graphite laminated paddle reduces weight to improve overall stick balance
- Volume optimized design provides better stiffness profile to make shooting easier

### High Impact Blade Laminates

- Graphite blade laminates increase blade stiffness for less blade deflection – controls shot redirection on saves and increases goalie shot velocity
- High Impact design provides premium durability in lightweight construction

## SPECIFICATION CHART

<b>Style</b>	Pro style goalie mask
<b>Protection</b>	Aramid reinforced at the chin and forehead to optimize strength and stiffness
	Hand-crafted, multi-layered fiberglass shell
	Extended throat protection
	Dual density vinyl nitrile liner delivers protection and superior comfort and fit
<b>Vision</b>	Streamlined chrome cage provides maximum peripheral vision
<b>Straps</b>	Solid 1" (2.50 cm) straps and buckle
<b>Comfort</b>	Two sweatbands included with each mask
<b>Certification</b>	CSA, HECC and CE certified
	Hang tag listing authorized painters included with every mask
<b>Colors</b>	White
	Black
	Factory custom paint designs available
<b>Sizes</b>	S 6 1/2 - 7 1/4 • 52 - 57 cm
	L 7 - 7 5/8 • 56 - 61 cm
<b>Replacement parts</b>	ACPART4508 - sweatbands (pair)
	ACPART4501 - Backplate straps
	ACPART4502 - 1" (2.50 cm) buckles (25 per pack)
<b>Artists</b>	1 Marlene Ross

### WOLF DESIGN<sup>1</sup> Marlene Ross

\*Also available in custom colors, black and white

## FM6 - GOALIE REPLACEMENT CAGE

Protection	High quality carbon steel
	Finished with high quality powder coating or chrome plating
	CSA, HECC and CE approved
Colors	White, Black, Chrome

## AC485 - GOALIE LEXAN THROAT GUARD

Vision	Precision cut edges for optimal visibility
Motion	Contoured chin and neck for increased range of motion

## TPGATE PRO - GOALIE THIGH PAD

Protection	High-density foam for increased protection
Liner	420 nylon Denier for durability and lightweight
Fit	Adjustable elastic for custom fit
Color	White
Sizes	Senior - 31"-34", 35"+

## TCPRO - GOALIE THROAT GUARD

Protection	High-density foam in neck and clavicle area
Comfort	PU foam 3/8"
Abrasion	Water resistant ballistic nylon covered
Fit	Adjustable 4"-10cm(MEN) and 3"-7.5cm (BOY) neck strap for a comfortable fit
BNQ	Approved (Bureau de Normalisation du Quebec)
Color	Black
Sizes	Senior/Junior

## GJ8 PRO - GOALIE JOCK

Cup	Extra deep molded cup for full wraparound and maximum comfort, removable
Liner	Working ventilation from the 3D mesh liner and ventilated cup
Waist	Low cut waist for better fit and ease of forward bending
Fit	Adjustable 3"-7.5cm wide elastic
Color	Black
Sizes	Senior/Junior

## GATEKEEPER™ GOALIE BAGS 44WH

Nylon	600 Denier polyester construction
Wheels	All-terrain In-line .90mm bearing corner wheels with retractable handle system
Zipper	Full length top zipper extends down end panels
Bottom	PE bottom board with two plastic rails on bottom of bag
Shoulder	Padded shoulder strap detachable at one end
Corner	Reinforced with heavy vinyl patches on bottom panel
Color	Black/White
Size	44"x 24"x 24", 110cm x 60cm x 60cm

## BLOCKADE® GOALIE BAGS 40WH

Nylon	600 Denier polyester construction
Wheels	All-terrain In-line .90mm bearing corner wheels with retractable handle system.
Zipper	Full length top zipper extends down end panels
Bottom	PE bottom boards
Shoulder	Padded shoulder strap detachable at one end
Corner	Reinforced with heavy vinyl patches on bottom panel
Colors	Black/White
Sizes	40"x 24"x 24", 105.5cm x 60cm x 60cm

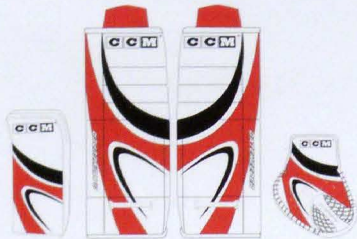

## GOALIE MASK BAG

Nylon	Coated Nylon construction
Zipper	#10 durable zipper
Foam	Padded foam for extra protection
Colors	Black/White
Sizes	14"x 9"x 9.5", 35cm x 22cm x 24cm

SR 37"	19 1/2"	8 1/4"	9 3/4"	11 1/2 -12

\_ Goal Pad Size Chart

Sizing is a critical part of feeling comfortable on the ice. CCM® goal pads have been developed around a simple sizing procedure.

- 1 The thigh rise of the goal pad, which is the area above the knee roll, is determined by measuring from the FRONT center of the knee cap up to the desired height on the front of the thigh.
- 2 Measure the distance from the INSIDE ankle bone up to the front center of the knee cap. Do this while the leg is slightly bent.
- 3 The third dimension is the size of the goal skate.  
 An example of a common size goal pad for a 5'10" adult would be:  
 Ankle to Knee = 17 1/2"  
 Thigh rise = 7"  
 Skate size = 9
- 4 The pad is measured from the inside of the pad outer roll.
