Step 1: Secure Slots – Due March 15

The most crucial step in the Youth Leadership Summit is securing slots to bring your students. Slots are selected based on the time the form was submitted and to curate a geographically diverse student cohort. Once we have closed the slot request form, you will receive an email from NCCEP informing you of your selection status.

You must respond to NCCEP by 
**Friday, March 15 by 5:00 pm Eastern Time**

to secure the number of slots granted for your GEAR UP program.

Unfortunately, if we do not hear from you by 
**5:00 pm Eastern Time**, we will release your slots and award them to another program.

Step 2: Select Students

If your grant receives slots, the next step is choosing the students who will attend the Youth Leadership Summit. NCCEP seeks to create a geographically diverse cohort of students and encourages programs to choose students from different schools. The Youth Leadership Summit is a 3.5-day, national training program that involves travel, overnight stays in a hotel, peer-to-peer learning, and experiential learning.

**When thinking about what students to select, please keep in mind the following.**

- There will be public speaking.
- There will be very long hours.
- There will be a lot of group work.
- Choose students who are not overcommitted. We want to ensure that all selected students can come and actively participate.

It is of the utmost importance that the students who attend the Youth Leadership Summit are actively engaged and willing to participate in the 3.5 days of learning. We want to ensure that all students have a great time.

**Eligible students** must be rising 9th, 10th, 11th, or 12th graders, or rising college first-year students who are eligible for GEAR UP services as of July 2024.

**Cancellation Policy:** All registration (made with credit card, check, or purchase order) cancellations must be made in writing via email to events@edpartnerships.org. Cancellation requests must be received no later than 
**June 14, 2024**, and will incur a $250.00 cancellation fee. Cancellations for paid registrations received on or before this date will be refunded less a $250.00 cancellation fee. If you cancel prior to submitting your payment, you will receive a $250 invoice which is due upon receipt. Cancellations received after 
**June 14, 2024**, and no-shows are not eligible for refunds, and are responsible for paying the full registration fee. NCCEP will issue refunds by September 2024.

Refunds are not granted for failure/inability to attend, late arrival, or early departure. NCCEP is not responsible for state or district travel restrictions; medical or weather-related cancellations; or for airfare, hotel, or other costs associated with the conference that impact...
attendance. Purchase orders are accepted as a courtesy and are considered a guarantee of payment. Any cancellation of a registration guaranteed with a purchase order will be subject to the same cancellation policy.

Substitutions can only be made in coordination with NCCEP on or before June 14, 2024. All new student information and forms must be submitted within five days of the substitution.

**Step 3: Select Chaperones**

Another crucial part of planning for the Youth Leadership Summit is securing chaperones for the students who are selected to attend.

Chaperones can be parents, directors, advisors, etc. Chaperones do not need to be registered for the conference unless they plan to attend the events. Please note, if chaperones are not registered, they are not granted access to Wednesday’s Plenary Presentation, during which time students will present.

Chaperones will perform the following responsibilities while at the conference.

- Registering student(s) on the first day of the conference. Making sure student(s) has name tag and other materials.
- Checking student(s) in and out all 3.5 days of the conference.
- Being available via cell phone if we need to contact them about their student(s).

To create an efficient check in/out process, we recommend that you have a core group of chaperones who can check out any of the students you bring to the Youth Leadership Summit.

A great option for chaperones that requires registration is the Family Leadership Institute. This bilingual (English/Spanish) Institute is an opportunity for family members attending the NCCEP/GEAR UP Annual Conference to explore college and career readiness, their role in supporting students, and create community among attendees.

**Step 4: Complete the Enrollment Form – Due May 9**

**Step 5: Register Students & Chaperones for the Conference – Due May 30**

It is required that you register each student for the [NCCEP/GEAR UP Annual Conference](#), and any chaperones you would like to participate in the conference.

The registration fee is **$1,050 per student**. Register students by **Thursday, May 30th, 11:59 pm Eastern Time**.

Conference registration is separate from the Enrollment Form. Registration is scheduled to open in early May.

**Step 6: Register Students & Chaperones for Youth Leadership Summit Orientations**

The next step before the conference is for students and chaperones to attend their respective orientation sessions. The orientations will take place via Zoom and information will be sent to the email addresses submitted in the Enrollment Form.
We will offer **two orientation sessions for students.** While GEAR UP staff are welcome to attend the student orientation, understand that this virtual “meet & greet” is meant for students and **not** chaperones.

We will offer **two orientation sessions for chaperones**, one in English and one in Spanish. The information offered will be the same, so a chaperone only needs to attend one orientation session. GEAR UP staff are welcome to attend both to support parents, as needed.

Orientation provides students and chaperones with the information they need to prepare for the Youth Leadership Summit. It is also designed to be a time to ask any unanswered questions.

**Step 7: Prepare for the Conference**

There are a variety of steps that are important as you prepare to bring your students to the Youth Leadership Summit.

1. Make sure to book all group travel as soon as possible to ensure that students, staff, and chaperones travel together.
2. Book rooms in the conference hotel (reservation link to open in May 2024). The conference hotel books up quickly, so if you are interested in staying as a group, it is imperative that you book as soon as it opens.
3. Provide students with our dress code list and travel checklist to help them prepare and pack for the conference. Both are below for your reference. We will also send them out as we get closer to the conference.
4. Chaperones are responsible for providing dinner for students on **Sunday and Monday**. We advise planning in advance and securing reservations.

See the next page for checklists you can share with students and chaperones.
