These services are made possible by the generous contributions of the following sponsors: CAL OES, and Napa County Health and Human Services–Public Health Division. On The Move is funded by Napa County Tobacco Master Settlement Agreement (MSA) funds. It is one of several settlement programs implemented by the County that strive to improve health outcomes for individuals and families throughout the community.

*These services are available to all residents of Napa County, regardless of immigration status, and are not considered a public charge.*
