Guests at your table will enjoy peering through a glass window to see a fancy clay floral inside.

**MATERIALS:**

- Conditioned Cernit Polymer Clay, white
- Jacquard Lumiere Paint (Citrine #542, Metallic Gold #561, Metallic Bronze #565)
- Jacquard Pearl Ex Powder (Antique Silver #662)
- Wood napkin rings
- 2” square glass slide
- 2” wood square
- White foam core board
- X-acto knife
- Rub-ons
- Scrap pieces of wire
- 1/2” scrapbooking tape of choice (I used tape with white back)

- Strong adhesive
- Rhinestone trim
- Varnish
- Scalloped edged scissors
- Scissors
- Paint brush
- Polymer clay push molds in flower and leaf theme
- Baking sheet (dedicated to clay) and oven
- Pencil
- Scrap of cardstock cut to 1 1/2” square
- Nail file or paper sander
DIRECTIONS:

1. Paint the wood napkin ring Citrine Green. Paint the 2” wood square Metallic Gold.

2. Press a dime sized amount of conditioned clay into the flower mold. Press a pea sized piece of clay into the leaf mold. Remove clay from molds and bake on clay dedicated baking sheet according to manufacturer’s instructions. Remove from oven and paint leaf Citrine Green. Paint flower Metallic Bronze. Mix Antique Silver with varnish in a 1:1 ratio and dry brush clay pieces with mixture.

3. Using pencil and 2” glass slide as a template, trace slide on foam core board. Use cardstock square and pencil to trace square in center of foam core. Use X-acto knife to cut out square and opening in center of square. If needed, smooth edges of foam core with sander.

4. Glue flower and leaf to center of gold wood square. Use small scrap of wire for stem, placing a small amount of glue on one side of wire to secure. (Not pictured).

5. Trim the edges of a 8” long of scrapbooking tape with the scalloped edged scissors.
6. Cut into 2" pieces and adhere, wrong side up to one side of the glass slide.

7. Place glue on one side of foam core square and glue to wood square, centering floral. Place glue on side of glass slide with tape and glue to foam core to create a small shadowbox.

8. Use rub on for sentiment at bottom of slide. Use Pearl Ex and varnish mixture to dry brush edges of glass slide.

9. Cut rhinestone trim to 8" piece. Glue to edges of shadowbox. When dry, glue shadowbox to painted wood napkin ring.

BIO:

Living in the picturesque and artfully inspiring small town of Hernando, MS, I have been designing full-time for the creative industry since 2004. Strapped to a cube in a marketing job prior to that, I dreamed of combining my marketing skills and talent for my love of all things craft! I have been married to my husband, Brad, since 1995. I love all things home décor, gifts and fashion.
