Facility Rules

- One parent/guardian can accompany a child to their lessons. We allow one parent/guardian to sit in the viewing area; there will be designated areas for each person. Spectators are not permitted on the pool deck during classes except when requested by the instructor. Our goal is to give your child the best learning experience possible, so we ask you to refrain from interrupting your child’s class.
- Students should arrive five minutes early, but they will have to wait outside the building or in your car. Students should stagger in, already dressed and ready to check in.
- Main floor/lobby restrooms (student’s restrooms; boys & girls) are **OFF LIMITS**. The locker rooms downstairs are for our students and swim families.
- No shoes are allowed on the pool deck area.
- If you or your child have Covid-19 like symptoms like coughing, a fever, and shortness of breath, do not bring them to class.
- Once you enter the building, masks are required and kept on throughout the entire building. **NO EXCEPTIONS!**
- Once your lesson is over, please get dressed quickly and exit the pool area. This area needs to be cleaned and be ready for the next group.
- Food and drinks are not permitted in the pool area at any time. The only exception to this is bottled water. **NO GLASS BOTTLES EVER**
- For the privacy of all those concerned: PLEASE DO NOT TAKE PHOTOS OR VIDEO while in the pool area.
- We ask parents/guardians to stay off their phones and pay full attention to their kids as they swim, so they can see exactly how the lessons are going and if they have any questions or concerns. Then, they can address it afterward.

Swim Attire

- Swimsuit
- Goggles
- Swim Cap
- Swim Diapers

Absence & Makeup Policy

- Each family is allowed one make up class. It is impossible to make up additional lessons without affecting student-teacher ratios, therefore creating safety hazards.
- Absence notifications must be received **at least 4 hours** before your scheduled class time to be eligible for a makeup class.
- No notifications and **NO SHOWS** will not be eligible for a make up class.
- To schedule a make up class, email: Dion Seraneau - Dseraneau@bgcqueens.org or Nicole Castedo - Ncastedo@bgcqueens.org. Unfortunately, make up classes are not available on a walk-in basis.
- Once a make up class is scheduled, it cannot be rescheduled or made up if missed.

Water Test

- If you register for a Parent & Me, Preschool & Me, or you're a student currently enrolled in a swim session at the club, you do **NOT** need to take a water test.
- Testing will take place in the 7th week of classes.

Transfers

- There will be no transfers unless there is a safety issue for the student. So please make sure you pick the best day and time. Modifications and changes can occur at the sole discretion of the Aquatics Director or Pool Manager. If classes are not booked full, we reserve the right to combine classes to fill the class or cancel with notice to all registered families.
