COMMUNITIES OF OPPORTUNITY
GOVERNANCE GROUNDING

RESULTS STATEMENT

Create greater health, social, economic and racial equity in King County so that all people thrive and prosper, regardless of race or place.

GUIDING PRINCIPLES

- Consistently demonstrate the values of equity, respect and partnership.
- Ensure low-income communities and communities of color affected by inequities develop and own the solutions.
- Advocate for and change institutional policies and processes to support equity goals.
- Encourage investments (both funding and in-kind resources) in long-term community capacity building and in systems, policy and practice changes that lead to greater racial and economic equity throughout King County.
- Catalyze alignment of funding streams and partner across issues and sectors to seek preventive strategies that address root causes of today’s inequities.
- Be transparent and show how data and community expertise inform initiative strategies.
- Continuously learn, improve and share work publicly.
- Focus on geographic communities with the greatest needs, while simultaneously sharing lessons learned and building relationships across King County – We are one King County.

VALUES

We commit to guide Communities of Opportunity using these values:

Equity: work intentionally to eliminate racial, ethnic, socio-economic and geographic disparities in health and well-being

Process Equity: an inclusive, fair and open process

Community Engagement: authentic community engagement that involves listening to and understanding the unique histories of communities

Driven by quantitative and qualitative data: Data will track and report progress, as well as support given for promising and evidence-based practices

Innovation: Recognize that change involves risk and value an adaptive approach that views failure as an important part of the learning process
