This is what the Lord Almighty says: “Give careful thought to your ways. Go up into the mountains and bring down timber and build my house, so that I may take pleasure in it and be honored,” says the Lord.

SOCIAL CONCERNS FUND
TO ADDRESS THE COVID-19 CRISIS
(For GMC Members)

The COVID-19 crisis looms like a dark cloud over our nation. Businesses are failing. People are losing their jobs. Our health is at risk.

But God is still sovereign and in absolute control. As a church, we hold fast to the Word of God that teaches us to face trials and tribulations with joy, knowing that the testing of our faith will produce perseverance and completeness. Such difficult times allow us to practice generosity, compassion and love.

Our Government has revealed a slew of measures in the form of cash pay-outs and loan deferments. These may be sufficient for some, but we are cognizant that there could be members who may need a bit more support.

GMC has an existing Social Concerns Fund that is designed to be a short-term cash intervention over and above the Government’s measures to help GMC members tide through the storm whilst they do their utmost to restructure their lives. With this fund, we hope to support members who have lost their jobs, depleted their savings, and are now unable to meet ‘existential’ needs, such as food, shelter and education.

Eligibility Criteria
(1) GMC member.
(2) Applicant’s family’s gross monthly household per capita income must not exceed S$1,000. [NB: this computation is based on the total gross family income divided by the number of household members].

Quantum of Support
The maximum support per application will be S$5,000.

Confidentiality
All applications will be kept confidential at all times.

How to Apply
If you need some support, or know a member who does, please contact:
Pastor Eric Soh (97940424) or Joseph Loy, Social Concerns Chairperson (85222994).
