The 2020 Passano Award Nomination

The charter of the Passano Foundation limits its support to “further scientific research” and to “make an annual award” to recognize outstanding research done in the United States.

My Candidate is: ____________________________________________________________

Contribution of Candidate:
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

Brief Description of Science:
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

Supporting Bibliography: (Enclose C.V.)
Letter of Nomination: (Please Enclose)

Awards Received:
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

Date: ____________________________

Signed: ______________________________________
Name: ________________________________________
Title: _________________________________________
Institution: ___________________________________

Applications are accepted throughout the year with selections made in December
