A Short History of The Children’s Museum of the Treasure Coast

The Children’s Museum of the Treasure Coast opened its doors on August 2, 2008. The Children’s Museum originally opened with four exhibits, The Grocery Store, Florida Cracker House, Health/Wellness Center and Toddler Beach. In April 2009 the Firetruck was added to the museum. The Car Care Center/Garage opened in December 2009. In December 2010 we opened the explorer’s gallery with our signature exhibit the Spanish Galleon “Pirate Ship” and shortly after, in February 2010, we opened our Vet Clinic. Our very popular Mail Stop exhibit was added in November 2011 by staff and volunteers like you! The Children’s Theater made its debut in 2012. Our Squash Slide and Carrot Climb sprouted in our Children’s Garden in 2013 and we were excited to add musical instruments to the museum’s outdoor experience in 2014. Our Town got its street themed flooring in August of 2016 and we are constantly making little improvements and additions. The museum will continue to grow as future expansions are in the works.
