AT BETTY'S...

At Betty's Restaurant we've been handling groups of people, big and small for many years and we truly enjoy it.

Whether it's an intimate party of 12, or a large banquet of 150, Betty's can handle all of your special needs: anything from just dinner rolls, or Betty's famous pies, to full buffets.

Menus can always be altered at Betty's and substitutes are always welcome.

We have listed some suggested menus that can be served in our spacious dining rooms, or delivered to you for your convenience.

Please call us for further details.
