

New Plastic Film Recycling Program Coming to Point Roberts

Starting in January 2020, Cando Recycling and Disposal will now accept plastic bags, plastic film, and plastic wrap as part of its residential curbside recycling program in the Point Roberts community.

Every other week starting January 13, 2020, Point Roberts residents can recycle clean and dry plastic bags, plastic storage bags such as Ziploc® brand bags, dry-cleaning bags, and other plastic film by placing your bagged film within your mixed paper recycling bin (white bin).

Follow these three easy steps:

1 Put clean and dry plastic bags and plastic film inside a plastic bag.

2 When it is about the size of a soccer ball, tie the top of the outer bag in a knot.

3 Put your bag of bags on top of your mixed paper within your white recycling bin (material must be bundled in a bag).

Accepted Materials in Your White Recycling Bin

Food packaging

Bread bags

Grocery bags

Dry-cleaning bags

Food-storage bags (including Ziploc® brand bags)

Product packaging

Not Accepted Materials

Chip bags
Plastic coated paper
Polystyrene or foam containers

Paper towels and napkins
Food soiled paper and cardboard
Aerosol cans

Diapers
Feminine products

Making recycling easier is one of the best ways to reduce plastic waste, but we can't do it without you!
