WHAT WE DO

About Us
The Fairfield County Foundation, a 501(c)(3) nonprofit, and its supporters help to enhance the quality of life and economic viability of our community. The Foundation was formed in 1989, when Probate Judge S. Farrell Jackson challenged our community to establish a foundation to keep significant trust funds invested locally. A small committee of caring citizens joined together to establish the Foundation to provide an entity to administer contributions from individuals, families, corporations and organizations.

Our Mission
Our mission is to receive and administer charitable gifts that will provide long-term, continuing benefits to Fairfield County and its residents by supporting educational, scientific, cultural, social, environmental, medical and other charitable purposes.

The Foundation is accredited by the National Standards for U.S. Community Foundations Program, demonstrating that it has met the nation’s highest philanthropic standards for operational quality, integrity and accountability.
Dear Valued Friend of the Foundation,

The Fairfield County Foundation has helped bring together the pieces of our community for nearly 25 years – helping donors create a lasting, charitable legacy that carries on their names, their values and their priorities.

The Foundation’s more than 200 individual charitable funds were created to address local causes that donors are passionate about, helping them “pay it forward” to the next generation of our community. Foundation grants support many different aspects of life in Fairfield County…from academic and children’s programs to the arts and community development. The Foundation truly brings the diverse pieces of the community together with donors to create a beautiful mosaic of support that reaches every corner of our lives.

It is through your generosity that we are helping to build your legacy and bring the pieces of our community together to build an even better, brighter future. The accomplishments outlined in this report are a direct reflection of the incredible support that our community has demonstrated. We thank you.

In 2012 alone, we impacted pieces of our community that reach every aspect of our lives:

- Support for arts and culture through organizations such as the Lancaster Festival, Decorative Arts Center, Lancaster Community Concerts Association and Fairfield Heritage Association.

- Grants that have enhanced the quality of life and activities in our community such as support for the Fairfield Area Humane Society Bark Park, Lancaster Parks & Recreation, Lancaster Public Education Foundation Fund and Pickerington Youth Athletic Association.

- Support for organizations that serve the health of our citizens including the City of Lancaster Division of Fire, Community Healthfest, local TWIGS and FairHoPe Hospice and Palliative Care.
The National Standards Seal by our name confirms that we have met the most rigorous standards in philanthropy and that we have demonstrated our commitment to financial security, transparency and accountability. The Council on Foundations’ National Standards for U.S. Community Foundations program is designed to provide quality assurance to donors and their advisors.
A grant from the Foundation partially funded the purchase of a Tobii CEye Eye Control Module for Forest Rose School. The $32,000 grant was from the George and Dollie L. Zimpfer Fund, which is used to benefit the residents of Fairfield County.

The Tobii CEye Eye Control Module allows students who may have difficulty communicating with the use of their hands or voice to communicate through eye movement alone.

“We have so many kids that do have cerebral palsy and other things that affect their motor control and their ability to use their eyes and hands together and even speech, where they aren’t able to communicate,” said Lori Mills, occupational therapist at Forest Rose School. “Other ways we currently have to help them communicate involve direct selection, where they are using their finger to touch the device, or they can use switches, which they can use any body part to activate. But some of our kids still don’t have enough control to actually be consistent or get the timing down that they need to in order to use those successfully.”

To use the device, students use their eyes to control a cursor or look at an object on screen that they want to select. This method lets students choose icons or letters, which allows them to make conversation, use the internet, send email or text friends.

Rachel Whitcraft, school-age speech therapist at Forest Rose, has enjoyed watching her students get excited about the Tobii. “For them to be able to think, ‘I did that with my eyes,’ and be making that connection, is neat,” she said.
Setting up a Fund with the Foundation

Your Foundation is here to help you build your legacy. We can help you determine your charitable goals, such as deciding if you want family members involved, both now and/or in the future; considering how much involvement you want in selecting the charitable organizations that will receive grants from your fund; and thinking about how much you want to give in charitable contributions each year and how you want to give it.

We make giving easy and effective, accepting a wide variety of gifts and providing donors with a number of charitable options. Our professional staff has in-depth understanding of the issues, opportunities and resources that shape our community. The Foundation has several options for setting up a fund that best meets your giving goals, including the following:

- **Donor-Advised Funds**: This type of fund enables donors or their designees to recommend grants based on their personal charitable interests.

- **Unrestricted Funds**: Unrestricted Funds are gifts to the Foundation’s unrestricted general fund. The principal and income is distributed at the Foundation’s discretion in the form of grants to 501(c) (3) organizations. A minimum gift of $5,000 is required to establish a named fund. Gifts of any amount are accepted into the general fund.

- **Scholarship Funds**: Individuals, families, companies or organizations can establish Scholarship Funds. Once in place, a Scholarship Fund continues to grow with additional contributions from the original donors, from other contributions and through market growth. The donor of a Scholarship Fund has the ability to define the scholarship’s advisory committee and the guidelines for candidate selection, requirements and award use.

- **Agency Funds or Endowments**: Agency Funds or Endowments can be created to perpetually support your community service agency. Agency
funds hold assets for a charitable organization and distribute the principal or earned income in accordance with the agency’s specific instructions.

- **Designated Funds:** Designated Funds are established to ensure that support will be provided to specific eligible nonprofit organizations, often organizations that donors have been involved with during their lifetimes. This is an opportunity to leave a lasting legacy in the donor’s name.

**Making a Gift to the Foundation**
A variety of assets can be used to make charitable gifts, and there are many ways that you can give immediately or in the future.

- **Cash:** Cash gifts are an easy way to make an impact in your community and allow you to give at any time.
- **Securities:** Securities, both publicly traded and closely held, can be used to set up a fund.
- **Real and Personal Property:** Gifting real and personal property often allows an individual to contribute more than they may have thought possible.
- **IRA/Retirement/Pension Fund Assets:** Retirement assets are most often used as testamentary gifts, creating charitable funds as part of an overall estate plan.
- **Life Insurance:** Life insurance makes it possible to make meaningful gifts to the community.

- **Unique Assets:** Examples might include stamp, coin or art collections; copyrights and patents; royalties; or other unique assets of value.
- **Wills and Bequeaths:** Bequests offer varied ways of giving to the Foundation. Cash securities or other property may be bequeathed in one’s will.
- **Charitable Remainder Trusts:** A Charitable Remainder Trust provides life-long income for one or several income beneficiaries, such as the donor and the donor’s spouse, and leaves the remainder interest to the Foundation or designated beneficiary.
- **Charitable Lead Trusts:** The income generated from assets placed in a Charitable Lead Trust is paid to the Foundation for a period of years, after which the trust is terminated and the assets are returned to the donor.
- **Charitable Gift Annuities:** The Charitable Gift Annuity can make it possible for donors to assist the community in the future while providing lifetime income for themselves. Upon the death of the donor, the remaining principal is retained by the Foundation to carry out the donor’s charitable intentions.
- **Transfer of a Private Foundation:** This type of gift affords many advantages, including lower overhead, staff to assist with charitable goals, and a higher tax deduction for any future gifts, to name a few.

“To give away money is an easy matter, and in any man’s power. But to decide to whom to give it, and how large and when, and for what purpose and how, is neither in every man’s power—nor an easy matter. Hence it is that such excellence is rare, praiseworthy and noble.”

Aristotle

A GRANT TO PROVIDE
Basic Needs for Local Families

The Fairfield County Foundation awarded a grant of $5,000 from the Wendel Family Fund to the Free Store in Lancaster, Ohio. The Free Store is located in the Maple Street United Methodist Church, and although it is considered a mission of the Church, is not a religious organization.

Run by community volunteers, the facility allows enlisted families in need of support to acquire items appropriate for their family at a stipulated quantity. The Free Store has been a staple support system in the community since its opening in 2011. After it was observed in 2012 that 1,332 families were enrolled for assistance, the need and appreciation for the Free Store was made clear.

The $5,000 contribution from the Fairfield County Foundation allowed the Free Store an opportunity to improve efficiency of their operation and bring ease to organizing systems with the implementation of computer usage. As a result of the financial gift, necessities such as tables, racks, storage containers and push carts could be purchased and dwindling supplies could be replaced.

Free Store director Dianne Combs expressed her gratitude for the grant, stating “The fixtures and equipment we were able to purchase with the Foundation’s assistance have enabled us to properly display the goods that we offer and better serve our customers.”

The generosity of the Foundation gave the Free Store a chance to expand their mission and excel in the work they do.
“In this world it is not what we take up, but what we give up, that makes us rich.”

Henry Ward Beecher
Thank you, 2012 donors, for helping to build your legacy through your generous gifts.

A Scholarship That
Enabled a Student to Become a Teacher

Bowling Green State University student Aimee Logsdon received scholarship funding from the Fairfield County Foundation for four years. With the financial support of the Foundation, Aimee was able to receive a Bachelor of Science in Education, an educator license in Early Childhood Education, and a minor in Spanish. Aimee was actively involved in a number of organizations during her time on campus, including a Student Life group, the St. Thomas More Catholic University Parish, and the Bowling Green Pregnancy Center. In addition to her notable accomplishments at BGSU, Aimee was given the opportunity to complete an honors program and study the Spanish language at a university in Spain.

“Through the experience I gained both in and out of the classroom, I have grown as an individual and gained the skill set necessary to be successful in the world of education,” Aimee said of her educational opportunities. “I look forward to continuing my journey and am confident in my ability to flourish in the working world.”

Aimee was awarded the Dr. Martha Gesling Weber Scholarship from 2009 to 2012, as well as the Fairfield County Educational Service Superintendents’ Scholarship in 2009. Aimee graduated with an honors degree and overall grade point average of 4.0.

During the summer of 2013, Aimee plans to work with The Goddard School in order to facilitate a program for elementary school kids in New Albany, Ohio.

Aimee expressed her deep appreciation for the Fairfield County Foundation’s financial gift and the effect it had on her college experience. “I am eager to help my future students achieve their goals as you have supported me in mine,” she said.

Bringing together the pieces of our community...
The Ambassador’s Club was formed in 1998 to help build awareness of the Foundation’s role and increase its visibility in the community. Ambassadors assist in this effort by promoting a better understanding of the Foundation, its role and its activities in Fairfield County. Generous gifts from many individuals, families and businesses with a connection to Fairfield County help the Foundation fulfill its mission to build a legacy in our community.
