A special thank you to Rick Hartung for his support of the Fairfield County Foundation and his help with our Annual Report.
About Us
The Fairfield County Foundation, a 501(c)(3) non-profit, and its many supporters help to enhance the quality of life and economic viability of our community. The Foundation was formed in 1989, when Probate Judge S. Farrell Jackson challenged our community to establish a foundation to keep significant trust funds invested locally. A small committee of caring citizens joined together to establish the Foundation to provide an entity to administer contributions from individuals, families, corporations and organizations.

Our Mission
Our mission is to receive and administer charitable gifts that will provide long-term, continuing benefits to Fairfield County and its residents by supporting educational, scientific, cultural, social, environmental, medical and other charitable purposes.

The Foundation is accredited by the National Standards for U.S. Community Foundations Program, demonstrating that it has met the nation’s highest philanthropic standards for operational quality, integrity and accountability.
Dear Valued Friend of the Foundation,

There is an old story about two artists – one who painted exquisite landscapes, the other beautiful portraits. Their teacher recognized the unique talent that each student possessed and challenged them to work together to create one painting. The result was a beautiful masterpiece – superior to what either could have created working alone.

As we reflect upon the work of the Foundation since it was founded 25 years ago, we think we have done something similar to the wise art instructor. By bringing together many different donors – each with unique perspectives and ideas – and working collectively to identify needs and causes, as well as effective strategies to address them, we have been able to create a beautiful masterpiece that reaches every corner of the Fairfield County community and will leave a legacy for many generations to come.

Whether it’s academic and children’s programs, health and wellness projects, the arts and community development, or scholarships for deserving youth, our community is better and has a brighter future because of the generosity of our donors. The accomplishments outlined in this report are a direct reflection of the collective efforts of our big-hearted community. Thank you for everything you do to help us create our community masterpiece.

Built in 1895 and listed on the National Register of Historic Places, The Davis Auditorium at the Lancaster Camp Ground has been host to historical figures like William Jennings Bryan, Billy Sunday and President William McKinley, musical talents from across the area and thousands of campers and community members who came to worship and for fellowship.

The building is an engineering marvel. The Auditorium was built using railroad wood bridge trusses with no interior supports to allow for an unobstructed view from any pew. It is the center of the grounds and eight streets radiate out from that hub.

Unfortunately time has taken a toll on the aging structure. In the fall of 2006, the building was deemed unsafe and was forced to close. It is estimated that complete preservation of the building will cost approximately $500,000.

Efforts to raise funds have been underway since 2007, when association members agreed to establish an account with the Foundation and set a fundraising goal. Having raised more than $50,000 towards the project, the Foundation decided to contribute to the effort with a grant of $20,000 from the Wendel Family Fund, which is designated for cultural and civic projects that benefit the residents of Fairfield County.

The money was quickly put to use to help restore parts of the building’s foundation and stage area. “It’s a really big help,” said Bruce Purdy, General Manager of the Lancaster Camp Ground. “We plan to continue raising funds so that the building can be opened again.”
Setting up a Fund with the Foundation
Your Foundation is here to help you build your legacy. We can help you determine your charitable goals, such as deciding if you want family members involved, both now and/or in the future; consider how much involvement you want in selecting the charitable organizations that will receive grants from your fund; and think about how much you want to give in charitable contributions each year and how you want to give it.

We make giving easy and effective, accepting a wide variety of gifts and providing donors with a number of charitable options. Our professional staff has in-depth understanding of the issues, opportunities and resources that shape our community. The Foundation has several options for setting up a fund that best meets your giving goals, including the following:

- **Donor-Advised Funds**: This type of fund enables donors or their designees to recommend grants based on their personal charitable interests.

- **Unrestricted Funds**: Unrestricted Funds are gifts to the Foundation’s unrestricted general fund. The principal and income is distributed at the Foundation’s discretion in the form of grants to 501(c) (3) organizations. A minimum gift of $5,000 is required to establish a named fund. Gifts of any amount are accepted into the general fund.

- **Scholarship Funds**: Individuals, families, companies or organizations can establish Scholarship Funds. Once in place, a Scholarship Fund continues to grow with additional contributions from the original donors, from other contributions and through market growth. The donor of a Scholarship Fund has the ability to define the scholarship’s advisory committee and the guidelines for candidate selection, requirements and award use.

- **Agency Funds or Endowments**: Agency Funds or Endowments can be created to perpetually support your community service agency. Agency funds hold assets for a charitable organization and distribute the principal or earned income in accordance with the agency’s specific instructions.
Designated Funds: Designated Funds are established to ensure that support will be provided to specific eligible non-profit organizations, often organizations that donors have been involved with during their lifetimes. This is an opportunity to leave a lasting legacy in the donor’s name.

Making a Gift to the Foundation
A variety of assets can be used to make charitable gifts and there are many ways that you can give immediately or in the future.

- **Cash:** Cash gifts are an easy way to make an impact in your community and allow you to give at any time.
- **Securities:** Securities, both publicly traded and closely held, can be used to set up a fund.
- **Real and Personal Property:** Gifting real and personal property often allows an individual to contribute more than they may have thought possible.
- **IRA/Retirement/Pension Fund Assets:** Retirement assets are most often used as testamentary gifts, creating charitable funds as part of an overall estate plan.
- **Life Insurance:** Life insurance makes it possible to make meaningful gifts to the community.
- **Unique Assets:** Examples might include stamp, coin or art collections; copyrights and patents; royalties; or other unique assets of value.

Wills and Bequeathes: Bequests offer varied ways of giving to the Foundation. Cash securities or other property may be bequeathed in one’s will.

Charitable Remainder Trusts: A Charitable Remainder Trust provides life-long income for one or several income beneficiaries, such as the donor and the donor’s spouse, and leaves the remainder interest to the Foundation or designated beneficiary.

Charitable Lead Trusts: The income generated from assets placed in a Charitable Lead Trust is paid to the Foundation for a period of years, after which the trust is terminated and the assets are returned to the donor.

Charitable Gift Annuities: The Charitable Gift Annuity can make it possible for donors to assist the community in the future while providing lifetime income for themselves. Upon the death of the donor, the remaining principal is retained by the Foundation to carry out the donor’s charitable intentions.

Transfer of a Private Foundation: This type of gift affords many advantages, including lower overhead, staff to assist with charitable goals, and a higher tax deduction for any future gifts, to name a few.

A $4,600 grant from the Foundation has helped the Green Machine group at the Fairfield County Opportunity Center create a place where people, regardless of disability, can come together in a common love of gardening. The gift allowed the Opportunity Center, which is run by the Fairfield County Board of Developmental Disabilities, to build 12 raised, handicap accessible beds that allow the garden to be enjoyed by every member of the community.

What started as a 1,400 square foot garden in 2012 has blossomed into more than 7,000 square feet of fruits, vegetables, greens, herbs and flowers. Even more impressive than the garden itself, is the impact it is having on all of the gardeners who are dedicated to caring for it. Led by Opportunity Center Life Coach Debora Will and Fairfield County Master Gardeners Jackie Marion and Trish Jones, 22 client gardeners with a wide spectrum of disabilities spend their days diligently working in the garden. In addition to gardening skills, the recent addition of a weekly farmers market provides the clients the opportunity to learn math and social skills.

“The work helps fulfill one of the center’s main goals: to integrate clients into the community,” said Brad Changet, the center’s program services manager. “The thing that excites me most is the connection we’ve made in the community.”
Thank you, 2013 donors, for helping to build your legacy through your generous gifts.

Awarding scholarships to shape the future leaders of our community

The Fairfield County Foundation administers scholarships on behalf of The Rotary Club of Lancaster, which celebrated a noteworthy landmark in the club’s history this year. Since 1992, the Rotary Club of Lancaster has awarded more than $2 million in scholarships to Fairfield County students. In 2013 alone, the club awarded 51 scholarships totaling $119,450.

There are 18 different Rotary Scholarship Funds administered through the Foundation. These scholarships support students with a wide variety of interests, including art, nursing, accounting, interior design and computer science. Recipients are selected based on a variety of criteria that covers areas of academic achievement as well as community involvement and service.

“We are so proud to award the efforts of our community’s hardworking students and help motivate their future achievements,” said Fairfield County Foundation Executive Director and Rotarian, Amy Eyman. “Reaching this incredible mark in the amount given to graduates reminds me of the important impact Rotary has on shaping future leaders.”
