A Message From the Director

Dear Friends of the Foundation,

Summer has officially arrived in Fairfield County, and that means we're pleased to announce that our scholarship process is complete! With the large pool of well-deserving applicants in our community, choosing scholarship recipients is always a difficult task; however, I'm honored each year to be able to announce the recipients of these scholarships. See below for the names of those students who will receive Rotary scholarships for the 2016-2017 school year.

We are also excited to share that after the great success of our first "Get the Scoop" Grant Seminar, we'll be hosting a second session on Tuesday, July 12th! More details of this event can be found below. We have also included a feature on one of our funds, the Pine Grove Fund.

We thank you for your continued support of the Foundation and look forward to a great summer filled with great local events and sunny days!

Building a Legacy, One Fund at a Time

The Fairfield County Foundation continues to touch every corner of our community, helping organizations accomplish their goals. This month we want to highlight the Pine Grove Fund.

Established in 1995, the goal of the Pine Grove Fund agreement is to directly assist the students of Amanda Clearcreek Local School District by providing funds for special projects, and to aid in filling the void in educational areas where funding is currently lacking. Pine Grove Funds are awarded twice per year, February and August. They are available to eligible full-time employees of Amanda Clearcreek Local School District who are interested in improving the quality of education for students in the district.

In February, 2016 the Fairfield County Foundation awarded, through the Pine Grove Fund, $4,982.13 to Amanda Primary K-2 for new books for its library. This project serves 400 students in the school.

Amanda Primary Librarian Suzy Trivette stated that the project was very successful. "The children were ecstatic to have the new addition of books to the library!"
What is a Community Foundation?

A community foundation is a non-profit, publicly supported, nonsectarian philanthropic institution with a long-term goal of building permanent funds established by many donors to carry out their charitable interests, and for the broad-based charitable interest of and for the residents of a defined geographic area.
