A Message From the Director

Dear Friends of the Foundation,

This is the time of year when we have the honor of working with local students to help make their higher academic goals a reality. We’re expecting a flurry of applications to be completed through our new online process as April 1st is the deadline for scholarship applications.

From traditional students venturing out to campuses throughout Ohio and across the country, to non-traditional students who are going back to a local community college or college branch campus to continue their education, the Foundation will receive hundreds of applications and begin the selection process – announcing our recipients early this summer.

We wish the best of luck to all applicants and encourage you to forward this newsletter to anyone you know who might benefit from learning more about our scholarship program. We’re also pleased to be celebrating 25 years of building a legacy in our community this April. More details on our anniversary celebration coming soon!

Happy Spring!

Building a Legacy, One Fund at a Time

Scholarship funds provided by the Fairfield County Foundation continue to touch every corner of our community, helping young individuals further their education and accomplish their goals. This month, we are featuring the James C. Caple Memorial Scholarship Fund.

James C. Caple, a native of Midland, Michigan, graduated from the University of Michigan, served in the US Navy and had a career as a professional architect.

Upon his retirement, he relocated to Lancaster, OH and adopted Fairfield County as his new home. A man of many talents, Mr. Caple was an amateur artist and duplicate bridge life master. He especially loved classical music and opera. He was an avid listener to Public Radio and enjoyed the Lancaster Festival. Mr. Caple believed music and art enhanced one's life and wished to support performing classical artists.

As part of his legacy, Mr. Caple endowed a fund at the Fairfield County Foundation to support development of vocal and instrumental classical music performers. A similar scholarship fund was endowed at The Juilliard School in New York City. For more information regarding the James C. Caple Memorial Scholarship Fund, contact the Fairfield County Foundation at 740-654-8451.
