OUR MESSAGE

Dear Valued Friend of the Foundation,

We often find ourselves marveling at all of the beautiful things that are happening across our community on a daily basis. Neighbors looking out for each other, young students carving their paths to a successful future, eager volunteers looking for ways to serve, artists sharing their talents. Despite all of the negative and divisive messages that are so pervasive these days, you don’t have to look very far to find the good in our community. It is, indeed, a beautiful day in the neighborhood.

The Foundation is honored to serve as a resource for local citizens, businesses and organizations looking to contribute in a meaningful way and have a lasting impact on our community. The Foundation supports the arts, children’s programs, health and wellness projects, community development, academics and much more. From scholarships for deserving Fairfield County youth and grants to feed the hungry, to grants that expand services for our senior citizens and support events like the Lancaster Festival that bring the entire community together, the Fairfield County Foundation fosters powerful connections, a deeper sense of community and a love for our neighbors.

It is through your generosity that we are helping to nurture and improve upon this beautiful community we are so fortunate to call home. The accomplishments in this report are a direct reflection of the incredible support that our community has generated. We thank you.

WHAT WE DO

About Us
The Fairfield County Foundation, a 501(c)(3) non-profit, and its many supporters help to enhance the quality of life and economic viability of our community. The Foundation was formed in 1989, when Probate Judge S. Farrell Jackson challenged our community to establish a foundation to keep significant trust funds invested locally. A small committee of caring citizens joined together to establish the Foundation to provide an entity to administer contributions from individuals, families, corporations and organizations.

In October 2018, history was made at Tallmadge Elementary School when students made contact with Astronaut Serena Aunon-Chancellor on the International Space Station (ISS) via Amateur Radio. Students had the opportunity to ask the astronaut questions and find out more about her adventures in space. The activity was part of the Amateur Radio on the International Space Station (ARISS) Program, which promotes learning opportunities as part of the STEM (Science, Technology, Education and Math) initiative. The impact this event had on the community came in many different forms; several media and news outlets attended, along with Ohio State Representative Tim Schaffer and high profile community members.

Before the students could be part of this unique educational experience, the Afterschool Programs of Lancaster and the Lancaster Fairfield County Amateur Radio Club needed the funds to make this happen. In addition to the 21st Century Grant that the Afterschool Programs received to purchase the STEM curriculum to prepare for this event, an additional $400 grant was awarded by the Fairfield County Foundation to purchase the Space Station Hands-on Learning Equipment.

“We absolutely could not have made this program a reality without the financial assistance of the Fairfield County Foundation. Their generosity provided the students of Tallmadge Elementary a once-in-a-lifetime experience,” said Michele Ritchlin, Executive Director of the Afterschool Programs of Lancaster.

The Lancaster Fairfield County Amateur Radio Club received a $4,200 grant from the McGee Grimm Community Fund that enabled the group to purchase NASA approved radio equipment and antennas to communicate with the ISS.

“Students were amazed by the educational experience and exposure to actually speaking with an astronaut in real time,” said John Hilliard, Chief Engineer and Club Trustee of the Lancaster Fairfield County Amateur Radio Club. “If it weren’t for the funds we received from the Fairfield County Foundation, this experience might never have happened. It was an event that everyone in attendance will remember for the rest of their lives.”
Setting up a Fund with the Foundation

Your Foundation is here to help you build your legacy. We can help you determine your charitable goals, such as deciding if you want family members involved, both now and/or in the future; consider how much involvement you want in selecting the charitable organizations that will receive grants from your fund; and think about how much you want to give in charitable contributions each year and how you want to give it.

We make giving easy and effective, accepting a wide variety of gifts and providing donors with a number of charitable options. Our professional staff has an in-depth understanding of the issues, opportunities and resources that shape our community. The Foundation has several options for setting up a fund that best meet your giving goals, including the following:

- **Donor-Advised Funds**: This type of fund enables donors or their designees to recommend grants based on their personal charitable interests.

- **Unrestricted Funds**: Unrestricted Funds are gifts to the Foundation’s unrestricted general fund. The principal and income is distributed at the Foundation’s discretion in the form of grants to 501(c) (3) organizations. A minimum gift of $5,000 is required to establish a named fund. Gifts of any amount are accepted into the general fund.

- **Scholarship Funds**: Individuals, families, companies or organizations can establish Scholarship Funds. Once in place, a Scholarship Fund continues to grow with additional contributions from the original donors, from other contributions and through market growth. The donor of a Scholarship Fund has the ability to define the scholarship’s advisory committee and the guidelines for candidate selection, requirements and award use.

- **Agency Funds or Endowments**: Agency Funds or Endowments can be created to perpetually support your community service agency. Agency funds hold assets for a charitable organization and distribute the principal or earned income in accordance with the agency’s specific instructions.

- **Designated Funds**: Designated Funds are established to ensure that support will be provided to specific eligible non-profit organizations, often organizations that donors have been involved with during their lifetimes. This is an opportunity to leave a lasting legacy in the donor’s name.
Making a Gift to the Foundation
A variety of assets can be used to make charitable gifts and there are many ways that you can give immediately or in the future.

- **Cash:** Cash gifts are an easy way to make an impact in your community and allow you to give at any time.
- **Securities:** Securities, both publicly traded and closely held, can be used to set up a fund.
- **Real and Personal Property:** Gifting real and personal property often allows an individual to contribute more than they may have thought possible.
- **IRA/Retirement/Pension Fund Assets:** Retirement assets are most often used as testamentary gifts, creating charitable funds as part of an overall estate plan.
- **Life Insurance:** Life insurance makes it possible to make meaningful gifts to the community.
- **Unique Assets:** Examples might include stamp, coin or art collections; copyrights and patents; royalties; or other unique assets of value.
- **Wills and Bequeaths:** Bequests offer varied ways of giving to the Foundation. Cash securities or other property may be bequeathed in one’s will.
- **Charitable Remainder Trusts:** A Charitable Remainder Trust provides life-long income for one or several income beneficiaries, such as the donor and the donor’s spouse, and leaves the remainder interest to the Foundation or designated beneficiary.
- **Charitable Lead Trusts:** The income generated from assets placed in a Charitable Lead Trust is paid to the Foundation for a period of years, after which the trust is terminated and the assets are returned to the donor.
- **Charitable Gift Annuities:** The Charitable Gift Annuity can make it possible for donors to assist the community in the future while providing lifetime income for themselves. Upon the death of the donor, the remaining principal is retained by the Foundation to carry out the donor’s charitable intentions.
- **Transfer of a Private Foundation:** This type of gift affords many advantages, including lower overhead, staff to assist with charitable goals, and a higher tax deduction for any future gifts, to name a few.

Since its inception in 1985, the Lancaster Festival has served as an unprecedented celebration of the arts in Fairfield County and beyond. The Lancaster Festival Endowment fund was established with the Fairfield County Foundation in 1998 by majors Don Wendel Jr. and Paul and Evelyn Van Camp to preserve the future of the event through a trusted community entity. While decades have passed since its creation, the fund has allowed past, present and future donors the opportunity to contribute toward the future of the Lancaster Festival with peace of mind that their gifts will be preserved through the Foundation. The Foundation’s strategic growth and management of the Lancaster Festival Endowment Fund has flourished into additional funds to reach various goals for the future of the festival:

The Lancaster Festival Orchestra is an amazing treasure of the event, supported through funding from the Fairfield County Foundation.”

A booming elder population left Meals on Wheels of Fairfield County, Inc. facing a critical need to expand their facilities to serve vulnerable seniors. When the organization relocated to the retired Cedar Heights school building, renovations were essential to make the space accessible and equipped for community use.

The Fairfield County Foundation awarded Meals on Wheels a $100,000 grant from The George and Dollie L. Zimpfer Memorial Fund to develop a commercial kitchen and ADA accommodations for seniors to safely and independently enjoy their visits. The expansions allowed the organization to grow from serving 700 seniors annually to more than 2,000 seniors each year.

“When thinking about upgrading to a new facility to accommodate seniors, key drivers in the design were safety, accessibility, security, and workflow. We wanted the new facility to be comfortable and welcoming to the seniors,” said Anna Tobin, Executive Director of Meals on Wheels of Fairfield County, Inc. “We’re more than just a meal, we’re the senior services hub for our county. The Fairfield County Foundation’s support allows us to meet the demand for services for one of our community’s largest groups.”

Clark Hubbard is a Lancaster native who has flourished as a seasoned percussionist and composer. He is a multi-time recipient of the James Caple Scholarship, which aids Fairfield County residents who pursue collegiate studies in classical vocal and/or instrumental performance. Hubbard says the scholarship helped him focus on his studies while he obtained his bachelor’s degree in music performance from Vanderbilt University’s Blair School of Music. Hubbard has gone on to pursue masters’ degrees in music performance and chamber music from the University of Michigan School of Music Theatre and Dance.

“This scholarship was fundamental in allowing me to go to school without worrying about finances and allowed me to focus on my studies first and foremost” says Hubbard. “From the start of the application process, the Foundation has been a fantastic organization to work with. I’m really thankful that the Lancaster community has the Foundation, because a lot of communities are not so lucky, and the Foundation was fundamental in helping me pursue my goals.”
AWARDS

Donors’ funds provided 421 scholarships totaling $741,805 to help students in Fairfield County attend the college of their choice. Annual scholarship awards have been made to full-time college students who have met specific scholarship guidelines.

The Tyler C. Sharpe Memorial Fund was established with the Fairfield County Foundation to honor the 4.0 Academic All-Ohio student and cross-country team member from Sheridan High School after he tragically passed away in 2016. In honor of Tyler’s legacy of academic excellence, love and laughter, scholarships are awarded to cross-country runners from the Muskingum Valley League who achieve a 3.0 GPA or higher. Most importantly to the Sharpe family, scholarship recipients are students who display values of kindness and giving back to others in reflection of how Tyler lived his life.

“The Foundation has been fabulous to work with. They made it easy for us to do what we wanted,” said Lisa Sharpe, Tyler’s mother. “They are so nice and helpful if I have a question. It has been extremely easy throughout an otherwise difficult process. It feeds our hearts.”

Scholarship fundraising is accomplished through an annual golf outing and a 5K, with both events paying heartwarming tributes to Tyler. Lisa Sharpe says the outing is held on the course where Tyler learned to golf, noting their frequent exchange: “What is today? A good day for golf.” The 5K gathers current runners and alumni who share Tyler’s love for cross-country, cheering on others and his community.

Scholarship recipient families are thankful for the Sharpe family’s generous actions to remember Tyler by helping others. Carol Brown, mother of scholarship recipient Luke Brown, says the scholarship has eased her family’s concerns about college.

“It is so amazing how this family has chosen to carry out Tyler’s legacy. His family has taken on the role of ‘what would Tyler want me to do?’” says Carol Brown. “To award this money to kids that have a similar personality and reflect his goals shows how much thought they put into this effort.”

The Sharpe family is eager to see the scholarship carry on Tyler’s legacy to help students who mirror his values and carry on his impact.

The Fairfield Area Humane Society received $45,000 from the George and Dollie L. Zimpfer Memorial Fund for a 1,300 square foot expansion to meet a growing community need for a low-cost clinic, grooming and boarding services. “Any of the services we’ve added are based on what the community and our animals need the most,” said Corey Schoonover, Executive Director of the Fairfield Area Humane Society.

Schoonover explained that Fairfield County often sees cases of neglect stemming from a lack of affordable vet care. Foundation funding made it possible to offer a clinic with quick-to-obtain, low-cost basic care and exams one day per week. The clinic has recently expanded to include blood work and has plans for new ways to provide affordable resources to keep pets happy and healthy.

“The Foundation is incredibly easy to work with. If you have a concise plan and you have a need and can show it, they are more than willing to help you meet that need,” said Schoonover.

With adoptions more than tripling in recent years, the Humane Society is dedicated to turning financial support immediately into more services for the local community.

FINANCIALS
These condensed financial statements have been derived from the Foundation’s audited financial statements. Copies of the audited financial statements are available at the Foundation office.
The Ambassadors’ Club was formed in 1998 to help build awareness of the Foundation’s role and increase its visibility in the community. Ambassadors assist in this effort by promoting a better understanding of the Foundation, its role and its activities in Fairfield County. Generous gifts from many individuals, families and businesses with a connection to Fairfield County help the Foundation fulfill its mission to build a legacy in our community.
