December, 2019

Dear Friends of St. Thomas the Apostle School,

Since its beginning with the Sisters of Mercy, St. Thomas the Apostle School has appreciated the value of community. This school year, we are renewing that commitment with the theme Common Ground.

This theme, inspired by a children’s book of the same name, encourages us to conserve and share our resources to the benefit of all. It promotes stronger connections with God’s Creation and with our neighbors. Practicing classroom intentions such as gratitude, kindness and compassion in our common space also fosters stronger relationships with one another.

How is this theme being carried out?

The expansion of our hands-on science program now includes lab time for more students as well as classroom centers that let children discover more of God’s creation and how they can help care for it. Our collaboration with St. Timothy Middle School led to the purchase of Chromebooks for upper school students to best prepare them for their middle school years. This year’s service projects reach out to a broader range of people in need within and well beyond our parish community.

Your financial support strengthens our community and sustains it for the future. Every gift, regardless of size, provides an opportunity for academic achievement, spiritual enrichment, and service to others.

Please take the time to review this 2018-2019 Report of Annual Giving and visit our Facebook page to see our school in action. Then, thoughtfully consider an online donation to this year’s Annual Fund.

Thank you for contributing to our community!
