- Keep an eye out for final interest payments that could cause your previous financial institution to re-open your account.
- Don't forget to shred old cards and checks.

- ✓ Download our app. Visit your mobile app store and look for Great NorthWest. You can deposit checks, move money, make payments etc.
- ✓ Set up direct deposit. Ask your account opening MSR to provide you with the direct deposit form. It will contain all the information your employer needs to setup direct deposit.

- ✓ Setup bill payments. We offer a free billpay service. It's linked to your eTeller. Ask your account opening MSR to set it up then simply login online and get going.
