WHAT CAN WFCFC DO FOR ME?

If you need help finding resources for your family and children…

If your child is receiving services from more than two agencies including school…

If you get confused about who is providing services for your child…

Service Coordination (through Help me Grow, FCFC, Strong Families or Community Connections) might be able to help.

To be eligible for Service Coordination, you must have children younger than 18 (in some cases 22), who have multiple needs. Needs can be behavioral, emotional and/or physical.
