Tri-Course Championship

In 2017 Rolling Meadows GC, South Hills CC and Whispering Springs GC teamed up to “bring back” a popular event. In the mid-’90s, the three Fond du Lac golf courses teamed up for 54 Hole tournament for amateurs. After a short run, the tournament was stopped. This summer we bring it back! 2018 will be two courses while South Hills CC is under construction. They will be back in 2019!

A few changes have been made to the original format (from what we can remember) and some upgrades have been added. We are excited to bring the event back under a new name and with the help of some great sponsors! Please consider playing in this event, it’s sure to be a great time.
