

# “Bad Drug” Ads CAN DERAIL CARE

It's important  
to **stay healthy**  
during COVID-19

That includes taking medical advice

## From a Doctor

**...NOT**  
Sensationalized TV  
or Radio Ads

Abandoning regular  
medications & devices  
without consulting  
a doctor **COULD BE  
HAZARDOUS TO  
YOUR HEALTH**

**CONNECT WITH YOUR DOCTOR** if you have  
questions about managing your condition.

Partnership to  
Protect Patient Health
