# Member Areas & Email Campaigns

Member Areas

Monetize your ideas by charging for access to the content on your website.

MEMBERSHIPS
Create and monetize members-only content on your site. Share your expertise, build community, and sell access to exclusive content.

VIDEO CONTENT
Upload, organize, and charge for access to your library of video content.

DIGITAL PRODUCTS
Sell digital content, like music and ebooks, via direct download from your site.

DIGITAL GIFT CARDS
Allow customers to easily share your products with their family and friends.

Email Campaigns

Send emails that look like an extension of your website and brand.

EASY EDITING
Take a great template and make it yours with a simple editing experience. Intuitive tools make it fast and easy to create on-brand emails.

INTEGRATED TOOLS
Streamline marketing by building your mailing list and email campaigns on Squarespace. Create compelling emails with your existing products, blog posts, and design elements so your branding is consistent and recognizable.

BUILT-IN ANALYTICS
Measure, analyze, and refine every campaign with email marketing analytics.
