HANG WITH US.
OH HEY

FROM STANLEY, WITH LOVE
a modern, open-concept community gathering space at the heart of Stanley Marketplace.
THE COMMUNITY AREA AT STANLEY MARKETPLACE

The Community Area at Stanley is an indoor gathering space, often occupied by Stanley guests indulging in a morning joe, catching up on emails, or noshing on a donut from Glazed & Confuzed.

Let local artist Ramón Bonilla’s mural be the backdrop to your business’s pop-up, your small group brainstorming session, or a cozy, semi-private celebration. Built to spark innovation and interaction, the Community Area is an excellent place to engage with Stanley’s thousands of daily visitors, or an excellent launch pad for events in other Stanley spaces.

• Our team includes a venue manager and a beverage manager who help make each event a success.
• The Community Area is an especially smart choice for events that want to capture Stanley’s bustling traffic.
• Because the Community Area is one of the most popular gathering spaces for visitors to Stanley, it is offered as a private event space only for certain events.

The Stanley Venues team works with every client to craft the perfect beverage program that caters to each event. We offer a variety of packages for both hosted and cash bars, and handle all related permitting and regulations. Our expert team of bartenders and servers are trained to know each Stanley venue inside and out. We make sure the beverage program is one less thing you have to worry about, because you should be enjoying your event, not sweating the small things.
Welcome to Stanley Marketplace.
This is no ordinary marketplace. We are a community of like-minded businesses and people who believe in doing things differently: sustainable, thoughtfully, creatively, with way more than the bottom line in mind. We have grand ambitions and we are guided by mighty beliefs.

We believe in bringing people together and making them happy.

We believe in making connections: between neighborhoods and generations and strangers and friends. And we do that, by taking down fences and building bridges, figuratively and literally.

We believe the best rules are simple and clear: love your neighbor. Leave each place better than you found it. Be good and do good.

We believe there is no point in making a profit if you’re not also making a difference.

We believe one of the best ways to take care of yourself is to take care of others.

We believe in honoring the history of the land we temporarily occupy. Bob Stanley was the first American to fly a jet plane. Also, he invented the ejection seat. There is a history of innovation here, of boldness. We embrace it.

We embrace collaboration and curiosity, too. Also good food and music and dancing in the grass.

We are locally inspired and community desired. We asked ourselves what would make the best marketplace in the universe. Then we asked out neighbors. And then we built it.

We are guided by the belief that there is nothing better than spending time with family and friends in a beautiful place with excellent food and incredible views.

Every day is an opportunity to put goodness into the world. Positivity is contagious. Kindness is a virtue. We live these beliefs, and that’s why we are all at home here.

A store is a place people go to buy things. Stanley Marketplace is where people go to live: to eat, drink, work, play, learn, grow, gather, and explore, to see friends and make new ones.

We’re Stanley. And we’re here for good.
We’d love to have coffee with you in The Community Area and answer any questions you might have!
