HANG WITH US.
OH HEY
FROM STANLEY, WITH LOVE
a breath of fresh air, with five square acres of sunshine ready to host your wildest dreams.
Just across Westerly Creek via two bridges, The Field at Stanley is a five-acre park that includes festival grounds, a grassy sports field, and the future site of an urban farm. The Field at Stanley offers a large and flexible space with public park vibes perfect for events all year round.

Host a tented event on the grassy lawn, or bring in an array of food trucks and performance stages to the festival grounds, a mixture of concrete-paved and high-grade mulch areas. The Field at Stanley is fully-equipped for day and night activities, with light posts for illumination and available power for everything from soccer games to soirees.

History Bonus: There is a former bunker in the northwest corner of the field that was once used to test explosives for Stanley Aviation.

BEVERAGE SERVICES

The Stanley Venues team works with every client to craft the perfect beverage program that caters to each event. We offer a variety of packages for both hosted and cash bars, and handle all related permitting and regulations. Our expert team of bartenders and servers are trained to know each Stanley venue inside and out. We make sure the beverage program is one less thing you have to worry about, because you should be enjoying your event, not sweating the small things.
Welcome to Stanley Marketplace. This is no ordinary marketplace. We are a community of like-minded businesses and people who believe in doing things differently: sustainable, thoughtfully, creatively, with way more than the bottom line in mind. We have grand ambitions and we are guided by mighty beliefs.

We believe in bringing people together and making them happy.

We believe in making connections: between neighborhoods and generations and strangers and friends. And we do that, by taking down fences and building bridges, figuratively and literally.

We believe the best rules are simple and clear: love you neighbor. Leave each place better than you found it. Be good and do good.

We believe there is no point in making a profit if you’re not also making a difference.

We believe one of the best ways to take care of yourself is to take care of others.

We believe in honoring the history of the land we temporarily occupy. Bob Stanley was the first American to fly a jet plane. Also, he invented the ejection seat. There is a history of innovation here, of boldness. We embrace it.

We embrace collaboration and curiosity, too. Also good food and music and dancing in the grass.

We are locally inspired and community desired. We asked ourselves what would make the best marketplace in the universe. Then we asked out neighbors. And then we built it.

We are guided by the belief that there is nothing better than spending time with family and friends in a beautiful place with excellent food and incredible views.

Every day is an opportunity to put goodness into the world. Positivity is contagious. Kindness is a virtue. We live these beliefs, and that’s why we are all at home here.

A store is a place people go to buy things. Stanley Marketplace is where people go to live: to eat, drink, work, play, learn, grow, gather, and explore, to see friends and make new ones.

We’re Stanley. And we’re here for good.
We’d love to give you a tour of The Field and answer any questions you might have!
