HANG WITH US.
OH HEY

FROM STANLEY, WITH LOVE
a dynamic space covering a whopping 18,500 square feet in the heart of Stanley Marketplace

aka: it's big and full of potential
THE HANGAR AT STANLEY MARKETPLACE

Once occupied by Bob Stanley’s own test planes, this historic space has been transformed into a timelessly chic and spacious location for any event—from an intimate gathering to a grand party.

Welcome your guests through our oversized Hangar doors fit for a full-sized jet plane, and indulge in the unique Hangar experience. Complete with original structures from our 1954 building, including steel beams, polished concrete floors, and 30-inch light fixtures that once lit up Stanley Aviation, any event in our space will spark intrigue and curiosity.

A stroll onto our patio presents a refurbished Stanley Aviation weigh station, which may be used as a chapel, bar, bandstand, or whatever you dream up for your event.

A FEW THINGS TO KEEP IN MIND

• Our team includes a venue manager and a beverage manager who help make each event a success.
• Most events must conclude by 11PM Friday—Saturday or 10PM Sunday—Thursday.
• Rental rates include 8 consecutive hours of venue access, with additional hours available for a fee.
• A refundable security deposit is required in addition to the venue rental fee.
• Ask us about special rates for nonprofit partners.

Learn more about additional policies by inquiring for your event.
we are always ready and willing to work with you on a custom solution per request, event, and circumstance
We rely on our #StanleyFamily for a number of services from catering to hair and makeup, floral design, and so much more!

The Stanley Venues team works with every client to craft the perfect beverage program that caters to each event. We offer a variety of packages for both hosted and cash bars, and handle all related permitting and regulations. Our expert team of bartenders and servers are trained to know each Stanley venue inside and out. We make sure the beverage program is one less thing you have to worry about, because you should be enjoying your event, not sweating the small things.
Welcome to Stanley Marketplace.
This is no ordinary marketplace. We are a community of like-minded businesses and people who believe in doing things differently: sustainable, thoughtfully, creatively, with way more than the bottom line in mind. We have grand ambitions and we are guided by mighty beliefs.

We believe in bringing people together and making them happy.

We believe in making connections: between neighborhoods and generations and strangers and friends. And we do that, by taking down fences and building bridges, figuratively and literally.

We believe the best rules are simple and clear: love your neighbor. Leave each place better than you found it. Be good and do good.

We believe there is no point in making a profit if you’re not also making a difference.

We believe one of the best ways to take care of yourself is to take care of others.

We believe in honoring the history of the land we temporarily occupy. Bob Stanley was the first American to fly a jet plane. Also, he invented the ejection seat. There is a history of innovation here, of boldness. We embrace it.

We embrace collaboration and curiosity, too. Also good food and music and dancing in the grass.

We are locally inspired and community desired. We asked ourselves what would make the best marketplace in the universe. Then we asked our neighbors. And then we built it.

We are guided by the belief that there is nothing better than spending time with family and friends in a beautiful place with excellent food and incredible views.

Every day is an opportunity to put goodness into the world. Positivity is contagious. Kindness is a virtue. We live these beliefs, and that’s why we are all at home here.

A store is a place people go to buy things. Stanley Marketplace is where people go to live: to eat, drink, work, play, learn, grow, gather, and explore, to see friends and make new ones.

We’re Stanley. And we’re here for good.
We’d love to schedule a walkthrough of The Hangar with you and answer any questions you might have!
