**18. Support/Oppose a policy suspending aid to reach a ceasefire**

The U.S. has consistently sent military aid to Israel since the 1970s, including aid in the amounts of \$4.6 billion in 2022 and \$3.6 billion in 2023. Do you support a policy or an executive order that suspends aid to Israel until a ceasefire between Israel and Palestine is reached?

**28. Anxious about own economic situation**

Now, thinking about your OWN economic situation. Some people are very anxious about their OWN economic situation while other people are not anxious at all.

How anxious are you about your OWN economic situation?
